The following recommendation of the Rules Committee was presented and after slight modification was approved as follows:

When a student is authorized to be absent from classes, in accordance with Senate rules, he will be given a certificate to that effect by the faculty member in charge of the group or class making the trip. This certificate is to be shown by the student to the teachers whose classes he missed on account of the trip.

President McVey discussed the question of group insurance and mentioned several plans that might be of interest to the staff of the University. A motion was made and approved that the President request the Board of Trustees to consider some plan of group insurance.
