Dear Sir

Suph. Dr. Clark
was requested & authorized me to
write to several members of your
board the following. I feel dis-
posed to trust that a communication
to you also will be kindly
appreciated. My hopes are based
upon the interest you manifested
in me, in according to me so
much of your attention last Board
meeting, as also the disposition
to carefulness & thoroughness you
exhibited, in the treatment of my
matter, in your examination of
me then.

I learn from home
that my mother (Maria Thompson
Davies) is ill. She is very
old (72). Thoug previously quite healthy
