

Thankin' you  
ole dear-  
Long to  
our last and I really can't  
tell you how much I hate  
to see it end. This year  
has been "real fun" with you  
across the hall. Take it easy  
next year - and think of  
me once in a while and  
if you have a spare  
minute drop me  
a line for  
Last for  
love
