Fluit, April 1st/200

Dear Nett:-

As I have a few moments at leisure I will drop you a few lines. It has been fine today, and so we went to church. And Mr B. preached a good sermon. The roads are not very good but are getting better now.

The boys have tapped the sugar bush and expect to be quite sweet soon. expect to commence to boil to morrow.

Emma's winter term of school closed a week ago.
