PREFACE

The publication herewith presented, an index to the probate cases filed in Camp County, Texas, is No. 32 of the Texas series of counties. The publication is intended to meet the requirements of day-to-day usage by the officials of the county, attorneys, businessmen, and other citizens who have occasion to consult probate case records for the proper conduct of their affairs. The publication may be used by historians and genealogists to obtain references to unpublished source material.

The names of the deceased persons, minors, and other principals are arranged alphabetically, with reference to filing date of the case and the case number. Differentiation between probate cases assigned duplicate numbers is accomplished by the addition of a letter following the case number, except that where one of the duplicated numbers was used for a lunacy case, the prefix "L" is used. The following numbers in series 1 to 1232 were not used as case numbers: 2, 3, 6, 10-13, 15, 16, 18, 23, 25-29, 31, 33, 35-37, 40, 57, 58, 63, 65-69, 71-75, 78, 85, 128, 132, 135, 158, 160, 169, 175, 199, 226, 236, 251, 320, 350, 357, 361, 405, 438, 669, 705, 727, 732, 764-766, 768-963, 977.

In Camp County all probate records are in the custody of the county clerk. Case papers are filed in numerical sequence in plainly marked steel file drawers in the county clerk's office and vault. Cases numbered 1 to 499 are filed in 27 steel file drawers in the basement vault. Those numbered from 500 to 1232 are filed in 12 steel file drawers in the county clerk's office.

Since the transfer of territory from one county to another has affected probate jurisdiction and has determined the county in which the probate case should have been filed, a map and table of territorial changes are included herein. Notations concerning present location and availability of records pertinent to Camp County follow:

Harrison County, Marshall, all records extant

Nacogdoches County, Nacogdoches, all records extant

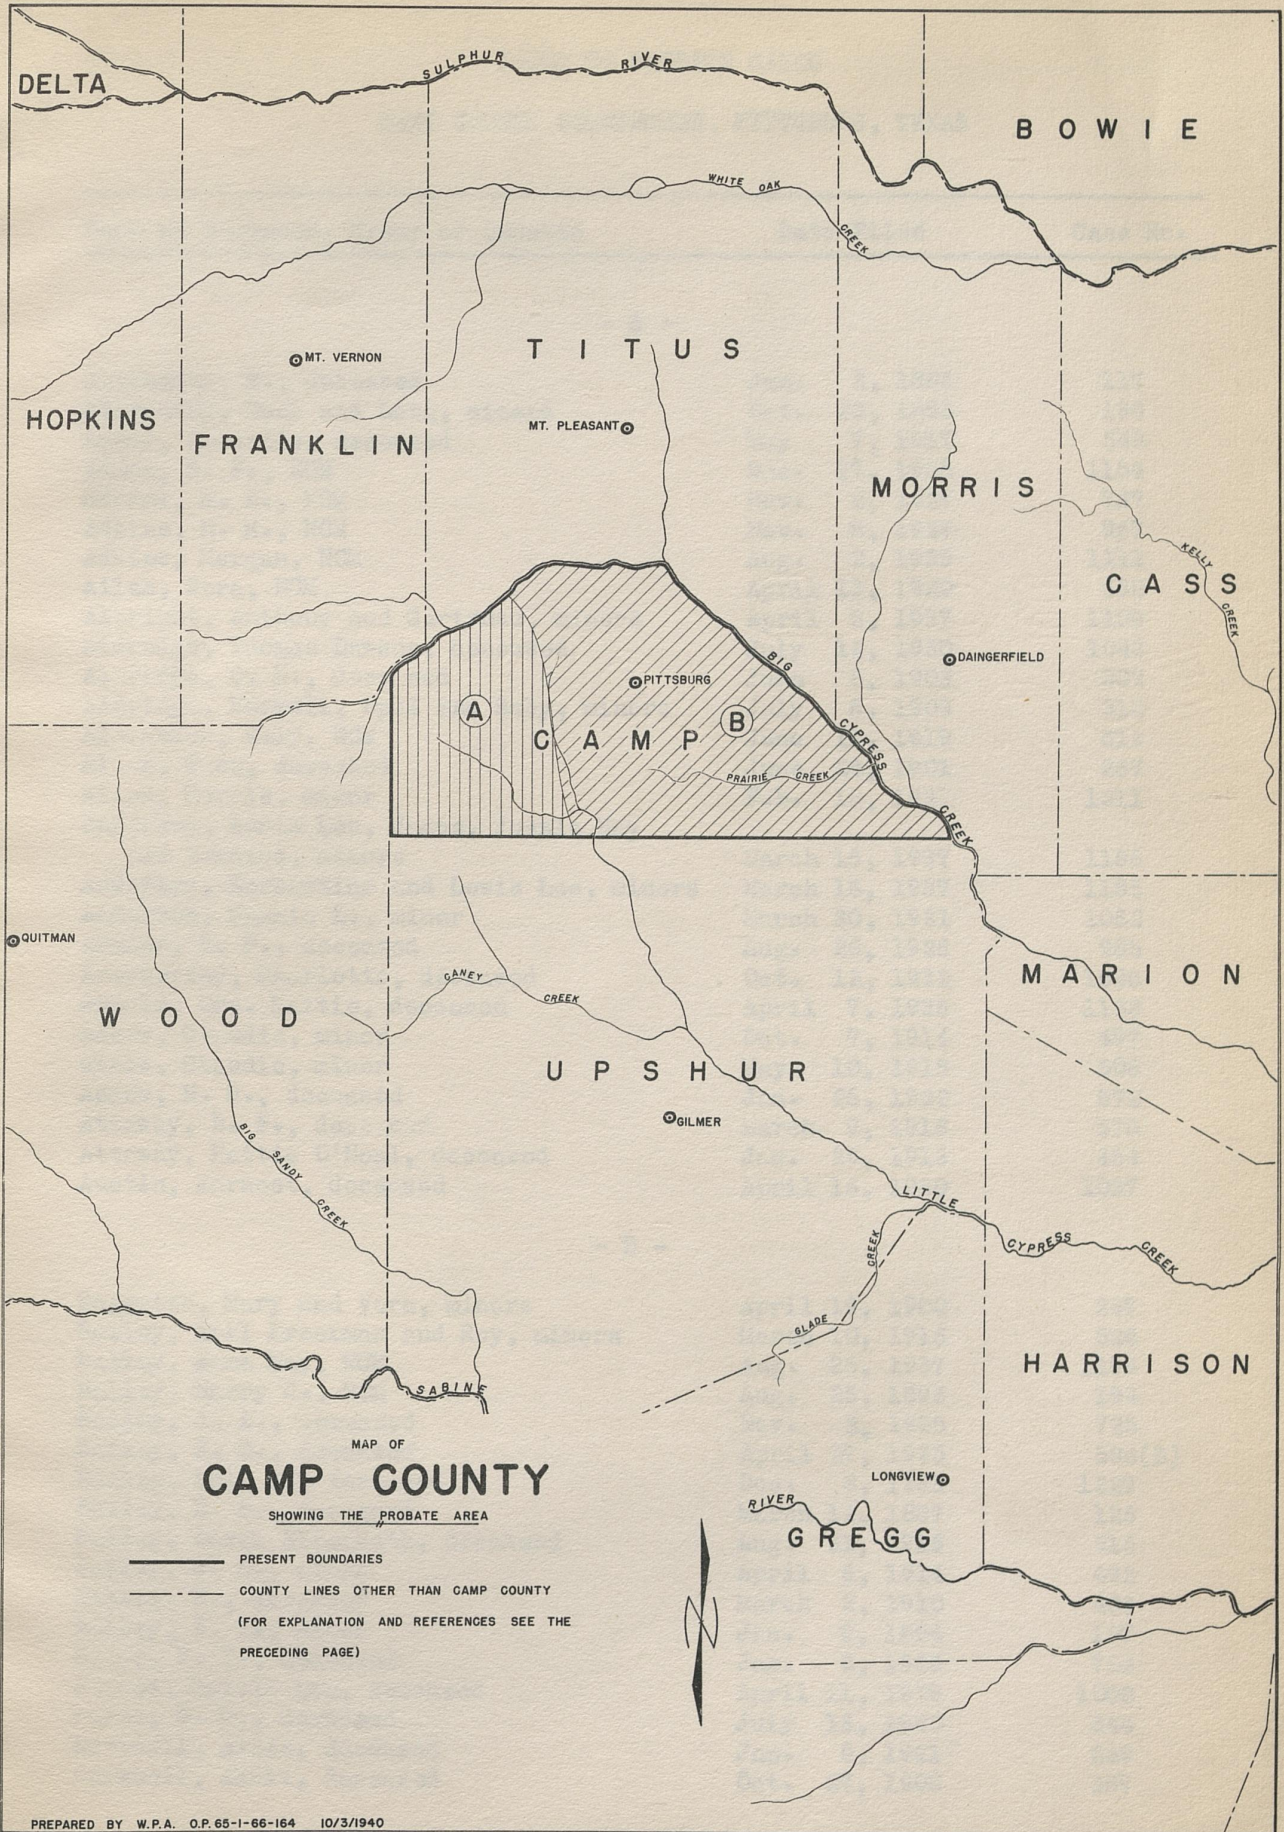

Upshur County, Gilmer, records partially destroyed by fire, 1888

MAP OF CAMP COUNTY SHOWING THE PROBATE AREAS
AND THEIR DERIVATIONS
