

Minutes of the Meeting of the Board of Trustees of the University of Kentucky, Tuesday, December 10, 1991.

The Board of Trustees of the University of Kentucky met at 9:00 a.m. (Lexington time) on Tuesday, December 10, 1991 in the Board Room on the 18th floor of Patterson Office Tower on the Lexington Campus.

A. Meeting Opened and Roll Call

Mr. Foster Ockerman, Chairman, called the meeting to order at 9:15 a.m., and the invocation was pronounced by Mr. William B. Sturgill.

The following members of the Board of Trustees answered the call of the roll: Mr. Foster Ockerman (Chairman), Mrs. Kay Shropshire Bell, Professor Raymond F. Betts, Professor Carolyn S. Bratt, Mr. William E. Burnett, Jr., Mr. Scott A. Crosbie, Dr. Robert P. Meriwether, Professor Judith Rhoads, Mr. James L. Rose, Mr. C. Frank Shoop, Judge Robert F. Stephens, Mr. William B. Wilcoxson, and Judge Henry R. Wilhoit, Jr. Absent from the meeting were Dr. Jack D. Foster, Mrs. Edythe Jones Hayes, and Mrs. Marian Moore Sims. The University administration was represented by President Charles T. Wethington, Jr.; Chancellors Peter P. Bosomworth, Robert E. Hemenway, and Ben Carr, Jr.; Vice Presidents Joseph T. Burch, Edward A. Carter, Donald B. Clapp, Linda J. Magid and Eugene R. Williams; Dr. Juanita Fleming, Special Assistant to the President for Academic Affairs; and Mr. John C. Darsie, Legal Counsel.

Members of the news media were also in attendance. A quorum being present, the Chairman declared the meeting officially open for the conduct of business at 9:18 a.m.

B. Resolutions Presented

Mr. Ockerman announced that two members of the Board had asked to present resolutions at the meeting. He recognized Mr. Crosbie and Professor Betts and asked that they present their resolutions.

Mr. Crosbie presented a resolution passed unanimously by the University of Kentucky Student Government Association asking that Governor Wilkinson resign his appointment to the Board and calling for reform in the selection process. He indicated that a copy of the resolution had been forwarded to Governor Wilkinson. As the elected representative of the student body, he wanted to make the Board aware of the sentiment of the students on campus. He also introduced a petition by the native American Heritage Association requesting that Governor Wilkinson resign his appointment to the Board. He expressed appreciation for the opportunity to make the Board aware of the student sentiment. (See copy of Resolution attached to Minutes.)

Professor Betts presented a resolution from the faculty. He said that the resolution was precipitated by the unexpected and untoward action of Governor Wallace G. Wilkinson in appointing himself to the Board of Trustees. He said that the faculty find the action unconscionable. It may be legal but certainly runs against all those qualities called the good, the right and the responsible. It is with a great sense of sore disappointment, deep disturbance, but strong determination that the resolution is presented. He then read the resolution. (See copy of Resolution attached to Minutes.)

Professor Bratt asked to be recognized. She added her voice to that of the student trustee, Scott Crosbie, and her colleague, Professor Raymond Betts. She said that it is a sad day for education in the Commonwealth of Kentucky generally and for the University of Kentucky particularly. It is axiomatic that combining politics and education produces a highly toxic mixture which poisons and never nourishes the educational process. It is axiomatic that research is an integral part of the educational process of our students as well as an essential component of the promotion of the health and welfare of the people of the Commonwealth. It is axiomatic that the academic community engages in and welcomes both debate and informed criticism intended to improve our abilities to achieve excellence in instruction, research and public service. She reminded the Board that the faculty and students are absolutely essential to the existence and the well-being of the University. It is the faculty not the Board of Trustees or former governors who instruct the students at this institution, who do the basic research which leads to the creation and discovery of new knowledge essential in a contemporary society increasingly dependent on technology, and who translate this new knowledge to the people of the Commonwealth through the public service initiatives that we undertake. If the Board participates in or even passively allows wholesale attacks on the work and integrity of its faculty or if this Board leaves unchallenged the blatant reintroduction of politics into this educational institution, it will have impeded the University's ability to fulfill its ongoing legal responsibilities to provide instruction, conduct research and engage in public service for the benefit of this Commonwealth. She asked the Board to reaffirm its support for the faculty of the University and asked their help in protecting the integrity of the University of Kentucky as an academic institution.

Mr. Ockerman stated that the report of the adoption of the resolutions by the University student body and University Senate is noted. He thanked Mr. Crosbie and Professor Betts for bringing the resolutions to the Board's attention.

C. Minutes Approved

Mr. Ockerman stated that the Minutes of the October 22, 1991 meeting had been distributed and asked for corrections or additions. The Minutes were approved as circulated.

D. President's Report to the Trustees (PR 1)

President Wethington reviewed the following items in PR 1:

1. Toyota Motor Manufacturing U.S.A., Inc. has given a second \$1 million gift to benefit the UK Library. The gift is dedicated to building construction.
2. The class of 1941 has given \$50,000 to the UK Library Campaign Endowment. This gift will be applied to the campaign to establish a \$3 million humanities book endowment fund.
3. Two University of Kentucky students, Don Puckett and Andy Albano, were named top freshmen debaters October 28 at the annual Harvard University Intercollegiate Debate Tournament in Cambridge, Massachusetts.
4. Ashland Community College has dedicated a new \$4.3 million Learning Resources Center.
5. Owensboro and Henderson Community Colleges conducted groundbreaking ceremonies on December 9 for new buildings.
6. The Henry Mancini benefit concert for the College of Fine Arts raised \$54,300 for scholarship and academic programs.
7. UK has announced a new Student Ambassadors program. The program consists of a group of UK's best students who will tell the story of the University throughout the State.
8. Retired UK professor Guy Davenport and the University Press of Kentucky have received the 1991 Humanities Awards from the Kentucky Humanities Council.

President Wethington asked the members of the Board to review the other items in the report at their leisure.

E. Personnel Actions (PR 2)

On motion made by Professor Rhoads, seconded by Mr. Crosbie and passed, approval was given to the routine personnel actions set forth in PR 2. (See PR 2 at the end of the Minutes.)

President Wethington noted that Roger Noe, Professor at Southeast Community College, would be on leave of absence without pay December 12, 1991 through December 20, 1991 and January 7, 1992 through April 15, 1992 to attend the sessions of the General Assembly in his role as a State Representative.

F. Proposed Amendments to the Governing Regulations (PR 3A)

President Wethington stated that the proposed amendments to the Governing Regulations in PR 3A are presented to the Board for preliminary consideration and will be included on the agenda for action at the next meeting.

G. Candidates for Degrees - Community College System (PR 4A)

President Wethington recommended and Mr. Shoop moved that the degrees specified in PR 4A be awarded to the persons named, upon certification that the requirements for those degrees have been satisfactorily completed. The motion, seconded by Dr. Meriwether, carried. (See PR 4A at the end of the Minutes.)

H. Change in Division Structure - Henderson Community College (PR 4B)

President Wethington recommended that Henderson Community College be reorganized to reflect the restructuring of the Natural Sciences and Related Technologies Division into two divisions: Biological Sciences and Related Technologies and Physical Sciences and Related Technologies. Professor Betts moved approval of the recommendation. His motion was seconded by Professor Bratt and passed. (See PR 4B at the end of the Minutes.)

I. Candidates for Degrees - University System (PR 5A)

With President Wethington so recommending, Professor Bratt moved that he be authorized to confer upon each individual whose name appears on the lists the degree to which he or she is entitled upon certification by the University Registrar that the individual has satisfactorily completed all requirements for the degree for which application has been made and as approved by the University Senate. (See PR 5A at the end of the Minutes.)

J. Board Appointments, McDowell Cancer Network (PR 6A)

President Wethington recommended that the following appointments be made to the Board of Directors of the McDowell Cancer Network:

<u>Reappointments</u>	<u>Appointments</u>
Martha Broadbent	Joe Florence
Marion Scott Kenkel	Connie Richmond
Billy Joe Hall	William John
Arthur Frank	

He also recommended that Lana Walton be appointed as a member of the Board of Directors of the McDowell Cancer Network to complete the unexpired term of the late Ivan Jett. Mr. Sturgill moved approval. The motion, seconded by Mr. Wilcoxson, passed. (See PR 6A at the end of the Minutes.)

Mr. Ockerman, Chairman of the Finance Committee, stated that FCR 6 would be presented first from the Committee and asked President Wethington to make the presentation.

K. 1991-92 Budget Revisions (Reduction in State Appropriations)
(FCR 6)

President Wethington provided background information explaining the budget cut and its impact on the University. He reviewed the administration's plans for managing the cut and reminded the Board that a hiring freeze on staff positions had been put in place at the University. He said that the University's first priority, however, is to protect the jobs and salaries of existing University employees. He noted that University administrators will have flexibility in implementing reductions in their areas.

President Wethington stated that this is a serious budget cut but assured the members of the Board that the educational mission of the institution will be protected. He mentioned that classes for students for the Spring semester would not be impacted by the budget cut. He added that there would be adding and dropping of classes and changes in class schedules as usual.

He recommended that the proposed budget cut for 1991-92 and the recurring cut for 1992-93 be approved and that the administration be directed to put this budget cut in place after the framework is established. Mr. Sturgill moved approval of the recommendation. His motion, seconded by Mr. Burnett, carried. (See FCR 6 at the end of the Minutes.)

President Wethington noted that most states in the Union had to work with a budget cut last year because of the economy. He said that the administration will do the best job that it can to enable the institution continue to function as an outstanding University. With the competitive salaries that the University was able to attain over the past two years, it is now in a more advantageous salary situation since budget troubles are severely impacting other states. He said that the University has a unique window of opportunity to bring in some faculty expertise that it has not had in the past and may not have in the future.

Professor Bratt stated that the faculty, like the President, does not like the budget cut. She said that President Wethington had worked with the faculty and explained the budget cut to them. The faculty is supportive of the decision that this budget cut should be made to secure and protect the primacy of the educational mission and to protect current employees and their salaries. The faculty, therefore, support the budget cut proposal.

L. Acceptance of Interim Financial Report for the University of Kentucky for the Four Months Ended October 31, 1991 (FCR 1)

Mr. Ockerman continued with the Finance Committee report and recommended that the Board accept the interim financial report for the four months ended October 31, 1991. Mr. Burnett moved approval. Mr. Wilcoxson seconded the motion, and it carried. (See FCR 1 at the end of the Minutes.)

M. Report of Lease (FCR 2)

With the Finance Committee so recommending, Mr. Ockerman entertained a motion that the Board accept the President's report of the new lease agreement between Ashland Community College and Public School Corporation of the Ashland Independent School District. Professor Betts made the motion. His motion, seconded by Mr. Crosbie, passed. (See FCR 2 at the end of the Minutes.)

N. Approval of Lease (FCR 3)

Mr. Ockerman asked for a motion that the administration be authorized to enter into a lease between the College of Pharmacy Continuing Education and Rose/Harman Investment Properties. Mr. Shoop made such a motion. His motion was seconded by Professor Rhoads. (See FCR 3 at the end of the Minutes.)

O. Patent Assignment (FCR 4)

On motion made by Professor Bratt, seconded by Mr. Crosbie and carried, the Board authorized the President to execute an assignment on behalf of the Board of Trustees to the University of Kentucky Research Foundation the following Letters of Patent of the United States and the invention represented thereby: Mary Sue Coleman, Serial No. 07/601,272, filed October 22, 1990. (See FCR 4 at the end of the Minutes.)

P. 1991-92 Budget Revisions (FCR 5)

Mr. Ockerman entertained a motion that the Board approve the routine budget revisions listed in FCR 5. On motion made by Mr. Burnett, seconded by Mr. Wilcoxson and passed, the revisions were approved. (See FCR 5 at the end of the Minutes.)

Q. Approval of Employee Application to Sell Property to the University (FCR 7)

Acting on the recommendation of the Finance Committee, Mr. Ockerman entertained a motion by Professor Rhoads that the Board of Trustees approve the application of Mr. Charles T. Moore, an employee of the College of Engineering, University of Kentucky, to sell his property at 461 Woodland Avenue to the University of Kentucky. Her motion, seconded by Mr. Burnett, passed. (See FCR 7 at the end of the Minutes.)

R. Acceptance of Bell County Property (FCR 8)

With the Finance Committee so recommending, Mr. Ockerman entertained a motion that the Board accept property in Bell County to be utilized as a site for a new campus for Southeast Community College. The motion, which was made by Mr. Sturgill and seconded by Mr. Shoop, carried. (See FCR 8 at the end of the Minutes.)

S. Acceptance of Gift from the Humana Foundation (FCR 9)

Mr. Ockerman entertained a motion by Professor Rhoads that the Board accept a gift of \$115,750 from the Humana Foundation to the Jefferson Community College for the Fine Arts Center Renovation Fund. The motion, seconded by Mr. Crosbie, carried. (See FCR 9 at the end of the Minutes.)

T. Acceptance of Gift from the Gheens Foundation (FCR 10)

Mr. Ockerman recommended that the Board accept the gift of \$150,000 from the Gheens Foundation to the Sanders-Brown Center on Aging. On motion made by Mr. Rose, seconded by Mr. Sturgill and carried, the gift was accepted. (See FCR 10 at the end of the Minutes.)

U. Edward T. Breathitt Professorship of Law (FCR 11)

Mr. Ockerman recommended that the Board establish the Edward T. Breathitt Professorship of Law in the College of Law. Judge Wilhoit moved approval. His motion, seconded by Mr. Ulmer, passed. (See FCR 11 at the end of the Minutes.)

V. Disposition of Timber on Lands Subject to Coal Leases in Breathitt, Knott and Perry Counties (FCR 12)

With the Finance Committee so recommending, Mr. Ockerman entertained a motion that the University administration be authorized to sell the timber on the tracts of the Robinson Forest specified in FCR 12. The motion made by Mr. Rose and seconded by Mr. Sturgill, carried. (See FCR 12 at the end of the Minutes.)

W. Acceptance of Gift from the Discovery Channel (FCR 13)

On motion made by Mr. Shoop, seconded by Mr. Crosbie and carried, the President was authorized to accept various assets of The Learning Channel as a gift to the University. (See FCR 13 at the end of the Minutes.)

X. Establishment of Quasi-Endowment Fund for University of Kentucky Undergraduate Students (FCR 14)

Mr. Ockerman entertained a motion by Dr. Meriwether that the Board of Trustees authorize the creation of a Quasi-Endowment Fund titled the "University of Kentucky Undergraduate Scholarships." His motion, seconded by Mr. Burnett, passed. (See FCR 14 at the end of the Minutes.)

Y. Establishment of Quasi-Endowment for The Viji Jeganathan Scholarship (FCR 15), Establishment of Quasi-Endowment for Study Abroad Scholarship (FCR 16) and Establishment of Quasi-Endowment for OIA International Student Endowed Scholarship (FCR 17)

With the Finance Committee so recommending, Mr. Ockerman entertained a motion by Professor Rhoads that the establishment of the quasi-endowments listed in FCR 15, 16 and 17 be approved. The motion was seconded by Mr. Wilcoxson and carried. (See FCR 15, 16 and 17 at the end of the Minutes.)

Z. Establishment of Quasi-Endowment for Faculty International Grant Program (FCR 18)

Mr. Ockerman entertained a motion that the Board approve the establishment of a quasi-endowment fund to establish the OIA Faculty International Grant Program. The motion, which was made by Mr. Rose and seconded by Mr. Wilcoxson, passed. (See FCR 18 at the end of the Minutes.)

AA. Concurrence with Coldstream Development Agreements (FCR 19)

On recommendation of the Finance Committee, Mr. Ockerman entertained a motion by Mr. Wilcoxson that the Board register its concurrence with the action of the appropriate officials of the Commonwealth of Kentucky in entering into an agreement with the Lexington-Fayette Urban County Government regarding various aspects of the development of Coldstream Farm including the provision of sewers to the project and the conveyance of property to the Urban County Government for open space and other purposes. His motion, seconded by Mr. Shoop, carried. (See FCR 19 at the end of the Minutes.)

Mr. Ockerman mentioned that the University has obtained a deed from the Commonwealth for the remainder of the Coldstream Farm. He explained that when the property was acquired approximately 35 years ago the deed omitted the language "for the use and benefit of the University of Kentucky." The University has obtained from the Commonwealth a conveyance which corrects this omission. He said that this is a significant accomplishment for the University and will be very beneficial in the development of the research campus.

Following a discussion about the architectural appearance of the property, the greenspace, the deed and easement, President Wethington invited the members of the Board to attend another briefing on the Coldstream development and indicated that a time would be arranged for the presentation.

BB. Amendment of Code of Student Conduct (SCCR 1)

Professor Bratt, Chairperson of the Student Code Committee, reported that the amendment would permit the Dean of Students to take action when it is deemed necessary and in the best interest of a student who has attempted suicide. As the student code is written now, the Dean of Students and Vice Chancellor for Student Affairs have this ability when there are threats of violence to other students from students on the campus but not when students are threatening violence to themselves. This recommendation is adding this provision to the student code. She said that the revision was approved by the President and forwarded to the Student Code Committee which concurs with the recommendation. She noted that proposals were solicited for the code revision from the University community in the Kernel, and the Committee is comfortable that this is necessary and proper for the Board to approve. Professor Rhoads moved approval. Mr. Crosbie seconded the motion, and it carried. (See SCCR 1 at the end of the Minutes.)

CC. Academic Affairs Committee Report

Professor Betts, Chairperson for the Academic Affairs Committee, had to leave the Board meeting early to teach class and asked Judge Wilhoit to present the Academic Affairs Committee report.

Judge Wilhoit reported that the Committee felt that the Board should become more aware of the campus and student affairs. He said that Scott Crosbie has been asked to provide an overview of student affairs in general and student government in particular at a Board meeting. He noted that Trustees will be asked to sign up for a specific time to tour campus during March and April. He mentioned that the Committee will also be recommending that a future Board meeting be held at a community college. This recommendation will be coming to the Board at the January meeting.

DD. Comment by Mr. Wilcoxson

Mr. Wilcoxson said that he felt it appropriate for the Board to acknowledge the passing of former Governor Bert T. Combs who was a great friend to many of the trustees, a great friend to the people of the Commonwealth, and a great friend to education. Mr. Ockerman said that the meeting would adjourn in honor of Governor Combs.

EE. Meeting Adjourned

There being no further business to come before the meeting, the meeting adjourned in honor of former Governor Bert Thomas Combs at 10:22 a.m.

Respectfully submitted,

John C. Darsie
Assistant Secretary

Passed/Failed PASSED

WHEREAS, THE STUDENTS OF THE UNIVERSITY OF KENTUCKY DO NOT ENDORSE THE RECENT SELF-APPOINTMENT OF GOVERNOR WALLACE WILKINSON TO THE BOARD OF TRUSTEES, AND

WHEREAS, THE SELF-APPOINTMENT OF AN IMMEDIATE EX-GOVERNOR TO THE BOARD OF TRUSTEES CREATES A CONFLICT OF INTEREST AND A POLITICAL ATMOSPHERE WHICH WILL NOT BE BENEFICIAL TO THE BOARD OF TRUSTEES AND THE UNIVERSITY OF KENTUCKY.

THEREFORE BE IT RESOLVED BY THE UNIVERSITY OF KENTUCKY STUDENT GOVERNMENT ASSOCIATION THAT GOVERNOR WILKINSON RESIGN HIS APPOINTMENT TO THE UNIVERSITY OF KENTUCKY BOARD OF TRUSTEES IN FAVOR OF APPOINTING ANOTHER QUALIFIED PERSON TO THE BOARD, AND

THEREFORE BE IT RESOLVED BY THE UNIVERSITY OF KENTUCKY STUDENT GOVERNMENT ASSOCIATION THAT REFORM BE MADE IN THE SELECTION PROCESS OF THE BOARD OF TRUSTEE MEMBERS FOR THE STATE UNIVERSITIES SO THAT POLITIZATION BE REMOVED FROM THE PROCESS.

SENATE RESOLUTION - ACADEMIC INTEGRITY

WHEREAS the University of Kentucky is, by law, KRS 164.100, charged with a three-fold mission 1) to provide undergraduate, graduate, and professional education, and 2) by KRS 164.125(2) to be the principal state institution for the conduct of basic and applied research, and 3) to engage in public service, all for the benefit of the Commonwealth of Kentucky; and,

WHEREAS previous governors, notably Wendell Ford and John Y. Brown, recognizing the fundamental importance of maintaining the University's integrity, moved to end the direct involvement of incumbent and prior governors as voting members of the Board of Trustees; and,

WHEREAS Governor Wallace Wilkinson has violated the spirit and contravened the intent of these efforts by the unprecedented action of appointing himself as a member of the Board in the final days of his administration, and accompanied this action by public statements that suggest a predetermined program and a consequent unwillingness to examine and evaluate the operations of this University in a wisely critical way;

NOW THEREFORE BE IT RESOLVED THAT THE FACULTY AND STUDENTS OF THE UNIVERSITY OF KENTUCKY, THROUGH THEIR DULY ELECTED UNIVERSITY SENATE:

1. Reaffirm their commitment to outstanding teaching and research which are integral and inseparable components of the education of our undergraduate, graduate, and professional students.

Just as research generates new knowledge, so it also provides deeper appreciation of the subjects of university study through direct student involvement in research, and further refines the thought of our students; it is also important for attracting outstanding new faculty.

2. Accept their mission to make substantial and lasting public service contributions, through research activities, to the health and welfare of the Commonwealth and its citizens.

At the center of the state university system, the University of Kentucky seeks to transmit research results through a variety of public service and outreach programs designed to strengthen the economic and civic foundations of the Commonwealth.

3. Request the refusal or rescission of the self-appointment of Governor Wilkinson to the Board of Trustees.

This unprecedented action grossly circumvents expected behavior by those holding a public trust and would, if not disallowed, corrupt the democratic processes and principles by which this University, and indeed this state, proceeds.

4. Call for the complete reform of the process by which members of the University of Kentucky Board of Trustees are selected.

5. Welcome informed criticism of our methods of fulfilling the mission assigned to us of educating students, developing new knowledge and providing public service.

Open in spirit and purpose, any university, but particularly a comprehensive university, must respond to current needs, new developments, and to all suggestions that would benefit the people we serve. Thus we willingly accept constructive criticism which helps us fulfill our mission.

PR 3A

Members, Board of Trustees:

PROPOSED AMENDMENTS TO THE GOVERNING REGULATIONS

Recommendation: that the following proposed amendments to the Governing Regulations of the University of Kentucky be received at this meeting for preliminary consideration and, at the next regular meeting of the Board of Trustees, be included on the agenda for action:

(Note: Proposed addition is underlined; proposed deletion is bracketed.)

Amendment - Change PART I* to read:

The College of Commerce has been renamed the College of Business and Economics (February 18, 1966) and, in accordance with this statute, the Colleges of Pharmacy (July 1, 1947), Medicine (June 1, 1954), Dentistry (May 28, 1956), Nursing (May 28, 1956), Architecture (July 1, 1964), Allied Health Personnel (January 1, 1966; renamed Allied Health Professions, January 20, 1967), Home Economics (July 1, 1967; renamed Human Environmental Sciences, January 22, 1991), Library Science (April 2, 1968; renamed Library and Information Science, April 6, 1982), Social Professions (June 24, 1968; renamed Social Work, May 6, 1980), Communications (May 4, 1976), and Fine Arts (May 4, 1976) have been established.

Background: The name change is in keeping with contemporary views about the discipline.

Amendment - Change PART IV to read:

The ex officio voting members shall number 13 or 14. In academic years beginning with an even number (e.g., 1984-1985, 1986-1987), this group shall be composed of the following: Chancellor for the Medical Center, Vice President for Research and Graduate Studies, Director of Libraries, [Vice Chancellor for Academic Affairs for the Lexington Campus], Vice Chancellor for Academic Affairs for the Community College System, and Deans of the Colleges of Allied Health Professions, Architecture, Communications, Dentistry, Education, Engineering, Law, and Social Work. In academic years beginning with an odd number, the ex officio voting members shall be the following: Chancellor for the Lexington Campus, Chancellor for the Community College System, Vice Chancellor for Academic Affairs for the Medical Center, the Dean of the

Graduate School, the President of the Student Government Association, and the Deans of the Colleges of Agriculture, Arts and Sciences, Business and Economics, Fine Arts, [Home Economics] Human Environmental Sciences, Library and Information Science, Medicine, Nursing, and Pharmacy.

The ex officio non-membership shall include the President, the Special Assistant to the President for Academic Affairs, all other vice presidents, University System Registrar, Associate Vice Chancellor for Academic Affairs, Dean of Students, Professor of Military Science, Professor of Aerospace Studies, the Director of the University Studies Program, and, if they are not already elected members of the Senate, the University System faculty members of the Board of Trustees, the Academic Ombudsman, the Director of the Honors Program, and the chairmen of the University Senate Committees, including University Senate Advisory Committees. All officials mentioned in the preceding paragraph who are not voting ex officio members in any year shall be considered non-voting ex officio members. Other ex officio non-voting members may be added by the University Senate Council for the purpose of supplying information and viewpoints on problems considered by the Senate. Ex officio non-voting members shall enjoy all privileges of the elected membership except the right to vote.

Background: The position of Assistant Chancellor was approved by the Board of Trustees December 12, 1989 effective January 1, 1990. There is no position titled Vice Chancellor for Academic Affairs for the Lexington Campus and it is, therefore, recommended for deletion.

The University Senate at its meeting September 16, 1991 voted to recommend approval of the proposal to add the Special Assistant to the President for Academic Affairs as a non-voting member of the University Senate. The rationale for this action was the person in this position serves as academic liaison between the administration and all educational units on campus as well as between the campus and the Higher Education offices in Frankfort. To maintain open communication in matters of academic concern, the Senate Council recommends the Special Assistant be designated as an ex officio, non-voting member of the University Senate.

The College of Home Economics was renamed the College of Human Environmental Sciences at the Board of Trustee Meeting January 22, 1991.

Amendment - Change PART VII to read:

1. Definition

The Honors Program is an educational unit which is equivalent to a department and administratively responsible to the [Vice Chancellor for Academic Affairs for the Lexington Campus] Dean of Undergraduate Studies. Its chief administrative officer is a director who is equivalent to a department [chairman] chairperson.

Background: The Vice Chancellor for Academic Affairs for the Lexington Campus position was no longer in effect with the establishment of the position of assistant chancellor by the Board of Trustees December 12, 1989, effective January 1, 1990. This amendment provides for a more appropriate placement of the Honors Program.

Gender specific language has also been changed.

Amendment - Change PART VIII-A:

4. Terms of [Chairmen] Chairpersons and Directors

a. Department [Chairmen] Chairpersons (University System)

The term of a department [chairman's] chairperson's appointment shall be four years, except in the Colleges of Agriculture, Dentistry, [Home Economics] Human Environmental Sciences, Medicine, Nursing, and Pharmacy where it shall be six years. Ordinarily, a department member will be asked to serve as [chairman] chairperson for only one term. A [chairman] chairperson may be reappointed, however, when the faculty advisory committee appointed to review the work of the department (AR II-1.0-6) finds that the particular circumstances and needs of the department make such a reappointment desirable. Reappointment beyond the second term may occur under exceptional circumstances when it is deemed to be in the best interests of the University. This practice may vary from discipline to discipline.

Background: The College of Home Economics was renamed the College of Human Environmental Sciences at the Board of Trustees Meeting January 22, 1991.

Gender specific language has also been changed.

Amendment - Change PART X.C.10 to read:

10. Group Insurance

Regular full-time faculty and staff who are employed by the University are insured under the Basic Life Insurance Program. [for \$5,000.] This insurance may be increased optionally to a total of one, two, or three times the employee's annual salary. The premium for the basic insurance is paid by the University, whereas that for the optional increase in insurance is paid by the employee.

In addition, all regular full-time employees are encouraged to participate in the University's basic hospital-medical [, major medical,] and accident insurance programs which also may include coverage for dependents.

Background: The University Basic Life Insurance Program was approved originally by the Board of Trustees in the early 1930's upon the recommendation of President Frank L. McVey. At the June 18, 1991

meeting, the Board of Trustee authorized the President to take steps to increase the Basic Life Insurance carried on regular full-time active employees to \$7,500. To assure that this policy is always up to date, the exact amount of the insurance will be reflected in the Administrative Regulations.

The University no longer has a major medical program.

CHANGE IN DIVISION STRUCTURE
HENDERSON COMMUNITY COLLEGE

Recommendation: that Henderson Community College be reorganized to reflect the restructuring of the Natural Sciences and Related Technologies Division into two divisions: Biological Sciences and Related Technologies and Physical Sciences and Related Technologies.

Background: Henderson Community College is currently organized and operates as three divisions. The faculty and instructional programs have grown steadily at Henderson Community College over the last five years. As a result, the Division of Natural Sciences and Related Technologies has become the largest division on Henderson's campus. This growth justifies the restructuring of the Natural Sciences and Related Technologies Division into two divisions: Division of Biological Sciences and Related Technologies and Division of Physical Sciences and Related Technologies. The change in division structure, recommended by the President of Henderson Community College and the Chancellor for the Community College System, has been reviewed and recommended by the Henderson Community College faculty currently serving in the Natural Sciences and Related Technologies Division.

CANDIDATES FOR DEGREES
UNIVERSITY SYSTEM

Recommendation: that the President be authorized to confer upon each individual whose name appears on the attached lists the degree to which he or she is entitled upon certification by the University Registrar that the individual has satisfactorily completed all requirements for the degree for which application has been made and as approved by the University Senate.

Background: In order that the degrees may be conferred upon the individuals completing requirements in December as soon after the close of the semester as possible, it is recommended that the Board of Trustees give its approval contingent upon certification by the Registrar and the University Senate that all requirements have been satisfactorily completed.

3. Comments - The increase in regular registration fees due to the Fall 1991 enrollment growth will support enrollment growth needs as well as defraying a portion of the 1991-92 state budget reduction. The net decrease in summer registration fees is a result of enrollment changes at Hopkinsville, Lexington, Paducah and Somerset community colleges. The increase in off-campus and weekend instruction supports enrollment growth needs at Elizabethtown, Hopkinsville, Jefferson, Lexington, Maysville, Paducah, Somerset and Southeast community colleges. The increase in noncredit fees supports activities in the Lexington Campus Debate Institute and the Medical Center's College of Pharmacy Continuing Education program as well as enrollment growth needs in Elizabethtown, Lexington, Paducah, Somerset and Southeast community colleges. The increase in other tuition and fees supports activities in the College of Law and the Counseling and Testing Center. The increase in county appropriations supports the Agricultural Cooperative Extension Service. The increase in gifts and grants from the Fund supports the College of Dentistry and the Student Health Service. The increase in federal gifts and grants supports various activities in the Agricultural Cooperative Extension Service. The increase in other gifts and grants supports activities in the Office of Alumni Affairs, the Lexington Campus Student Financial Aid Administration Office and the Center for Biomedical Engineering. The increase in agricultural public and regulatory services supports the equine blood testing, poultry testing in the Livestock Disease Diagnostic Laboratory and feed inspections in the Regulatory Services. The increase in departmental sales and services supports programs in the Office of Parking and Transportation, Real Property, the Library, Campus Services, Lexington Campus Colleges of Arts & Sciences and Human Environmental Sciences and the Counseling and Testing Center, the Medical Center's College of Medicine and Ashland, Henderson, Hopkinsville, Jefferson, Lexington, Paducah, and Somerset community colleges.

1991-92 Budget Revision (Reduction in State Appropriation)
Central Administration

Recommendation: that the following revision in the 1991-92 budget be authorized and approved.

	<u>Approved Budget</u>	<u>Revised Budget</u>	<u>Change</u>
A. <u>GENERAL FUND</u>			
1. Income Estimates			
State appropriation			
University System			
Recurring Program Reduction	\$240,725,300	\$228,885,400	\$(11,839,900)
Nonrecurring Debt Service Reduction	19,366,800	16,340,400	(3,026,400)
Community College System			
Recurring Program Reduction	62,061,700	58,774,400	(3,287,300)
Nonrecurring Debt Service Reduction	11,362,700	9,937,200	(1,425,500)

2. Comments

In mid-October, Governor Wilkinson announced a revised revenue estimate for 1991-92 adjusting the state's revenue downward by \$155 million. To deal with this shortfall, state government budgets were reduced by \$85 million, with the recurring reduction for the higher education system established at \$31.7 million. Immediately thereafter, a hiring freeze was put into effect at the University for all non-faculty positions (excluding positions in the University Hospital, auxiliaries, affiliates, and those totally supported by restricted funds). On November 4th, the Council on Higher Education approved the distribution of the budget reduction to the higher education institutions. The recurring reduction to the University of Kentucky is \$11,839,900 for the University System and \$3,287,300 for the Community College System, representing approximately five percent of the University's state support. Non-recurring debt service reductions due to bond issuance timing and interest savings of \$3,026,400 for the University System and \$1,425,500 for the Community College System, were also put into effect (this reduction will not adversely affect any capital project).

During November, each vice president and chancellor developed plans for Presidential review for managing the reduction during 1991-92 as well as for implementing the permanent reduction prior to the development of the 1992-93 operating budget. The chancellor/vice presidential area expenditure reductions are as follows:

University System	
Central Administration	\$ 497,300
Research & Graduate Studies	509,100
Information Systems	852,500
Lexington Campus	6,523,800
Medical Center	<u>3,457,200</u>
	\$11,839,900
Community College System	\$ 3,287,300

The management of the reduction will reside with the respective chancellors and vice presidents. However, University-wide guidelines were established for the management of the reduction as follows:

1. The first priority in managing the reduction will be the protection of University employees and their salaries. Every effort will be made to ensure that the budget cut is managed in a manner that doesn't result in the termination of regular full-time employees or the reduction of individual salaries.
2. Support for the educational mission will be a fundamental consideration in managing the budget reduction. Selected faculty position vacancies will continue to be filled since the University's competitive salary situation provides an opportunity to attract additional high-quality faculty members to the University to help assure continued progress toward even higher levels of academic excellence. No classes are to be cancelled for the spring semester 1992 because of the budget reduction, although class sections will be dropped and added as usual to reflect enrollment trends.
3. The hiring freeze will be continued for non-faculty positions but with some flexibility to allow chancellors and vice presidents to fill the most critical positions. No more than 25% (budget value) of the vacancies in the affected positions within a chancellor or vice presidential area will be filled without presidential approval. (Excluded from the hiring freeze are positions in the University Hospital and auxiliaries, and those in accounts totally supported by restricted funds, recharges, or other generated income.)
4. New positions will not be created unless absolutely necessary. In such cases presidential approval will be required before the new position is established. (Excluded are positions in the University Hospital and auxiliaries, and those in accounts totally supported by restricted funds, recharges, or other generated income.)
5. Operating expenses will be reduced by at least 10% in each chancellor/vice presidential area. Travel and printing funds will be sharply reduced.
6. All capital equipment purchases and proposed renovation projects will be reviewed by the appropriate chancellor and vice president to affirm priorities and to determine possible budget savings.

Each chancellor and vice president has submitted a budget reduction plan consistent with the general guidelines. These plans will be implemented during 1991-92 on a non-recurring basis and be fully in place on a recurring basis prior to the development of the 1992-93 operating budget.

APPROVAL OF EMPLOYEE APPLICATION TO SELL PROPERTY TO THE UNIVERSITY

Recommendation: that the Board of Trustees approve the application of Mr. Charles T. Moore, an employee of the College of Engineering, University of Kentucky, to sell his property at 461 Woodland Avenue to the University of Kentucky.

Background: Mr. Charles T. Moore, who is employed by the College of Engineering, University of Kentucky, has offered to sell to the University of Kentucky his property at 461 Woodland Avenue for the price of \$65,000 which is below appraised value. KRS 164A.575 (8) states that real property may be purchased from an employee of the University based upon written application by the employee approved by the Board of Trustees. A signed copy of the application and a copy of the sale and purchase contract that will be used to effect the sale is attached for information purposes.

ACCEPTANCE OF BELL COUNTY PROPERTY

Recommendation: that the Board accept property in Bell County Kentucky to be utilized as a site for a new campus for Southeast Community College.

Background: Southeast Community College, in responding to the educational needs in Bell County and surrounding areas, has the need for land to develop a joint campus with Kentucky Tech-Bell County. The donated 35.5 acre site is on the North side of the Middlesboro-Bell County Airport within the City of Middlesboro and is being conveyed to the University by the City of Middlesboro, Bell County Fiscal Court and the Middlesboro-Bell County Airport Board. The property which has been valued at \$240,000 is provided by these agencies at no cost to the University.

ACCEPTANCE OF GIFT FROM
THE HUMANA FOUNDATION

Recommendation: that the Board of Trustees accept a gift of \$115,750 from the Humana Foundation to the Jefferson Community College for the Fine Arts Center Renovation Fund.

Background: The University of Kentucky received a gift of \$115,750 from the Humana Foundation for Phase I (A) of the Jefferson Community College Fine Arts Center. It is proposed that the first area for renovation and construction shall be the Recital Hall and two adjacent rooms. The area's primary use will be for musical performances by soloists and chamber ensembles, including performances by the Jefferson faculty, the faculties of regional institutions and invited guest performers. It may also be used for classes and serve as an auxiliary hall for seminars, lectures, meetings, ceremonies and professional workshops requiring a formal facility of 135 seats.

ACCEPTANCE OF GIFT FROM
THE GHEENS FOUNDATION

Recommendation: that the Board of Trustees accept the gift of \$150,000 from the Gheens Foundation to the Sanders-Brown Center on Aging.

Background: The Gheens Foundation has announced a gift of \$150,000 to the Sanders-Brown Center on Aging to be paid over a three-year period. This gift will help fund a \$13 million building campaign for new clinical research and educational facilities. The three-year effort will expand and centralize programs on aging. The proposed 50,000 square foot facility will further the efforts of the University of Kentucky as a national leader in aging research, patient care and education. Kentucky can continue to provide excellence in health care services with the support that the Gheens Foundation has committed to this project.

EDWARD T. BREATHITT PROFESSORSHIP OF LAW

Recommendation: that the Board of Trustees establish in the College of Law the Edward T. Breathitt Professorship of Law at a sum of no less than \$100,000, which shall be (a) funded from multiple gifts to an endowment specifically for this professorship and (b) supported from funds, not to exceed \$75,000, transferred from The College of Law Dean's Quasi-Endowment Fund into a quasi-endowment fund to support this professorship.

Background: The principal of the Edward T. Breathitt Professorship of Law shall initially consist of \$100,000, which shall be furnished by gifts from the Norfolk Southern Foundation and other friends of Governor Edward T. Breathitt and by gifts from friends and alumni of the College of Law. The amount may be increased later by additional gifts or by funds from other sources. The principal is to be preserved by the University and invested to produce an annual dividend/interest income, provided, however, that reasonable expenses in connection with the initiation or maintenance of the Fund may be charged against principal or income of the Fund.

Edward T. Breathitt has engaged in a life of public service for the benefit of the citizens of the Commonwealth of Kentucky and during his life in public service has exhibited a substantial and continuing interest in and commitment to education, the University and the College of Law of the University.

DISPOSITION OF TIMBER ON LANDS SUBJECT TO COAL LEASES IN
BREATHITT, KNOTT AND PERRY COUNTIES

Recommendation: that the University Administration be authorized to sell the timber on the Bear Branch, Beaverdam Creek, Fishtrap Branch, Little Caney Creek, Hurricane Branch, Rose Branch and Laurel Fork tracts of the Robinson Forest using the method or methods determined to be the most advantageous to the University.

Background: The Board of Trustees has previously authorized mining on all of the tracts. At its April 30, 1991 meeting the Board approved the leasing of the coal on six of the tracts. The timber on the property must be removed before mining begins in late spring or early summer. The University intends to initiate the sale process immediately. The timber is being inventoried and appraised by a consulting forester. The University will then seek sealed bids on a lump sum basis for the sale of the timber in cutting units or lots designed by the consulting forester. These cutting units or lots will be established in sizes which will provide the opportunity for the most bidders to participate in a lump sum sale.

Board action is required authorizing the sale of the timber pursuant to KRS 164A.575. As with the coal royalties, the revenues derived from the timbering operations will remain under the control of the Board of Trustees and be utilized in accord with the conditions of the Robinson Trust.

ACCEPTANCE OF GIFT FROM THE DISCOVERY CHANNEL

Recommendation: that the President be authorized to accept various assets of The Learning Channel as a gift to the University. The assets in question have an appraised value of \$488,209; they consist of leasehold improvements, equipment, materials and supplies, furniture and fixtures, tools and spare parts.

Background: The University leased property on Coldstream Farm on October 1, 1979 for a satellite uplink which came to be operated by The Learning Channel. The Learning Channel has been acquired by The Discovery Channel. The Discovery Channel plans to discontinue use of the site and proposes to donate the equipment to the University and cancel its lease of the Coldstream property.

Establishment of Quasi-Endowment Fund For
University of Kentucky Undergraduate Students

Recommendation: that the Board of Trustees authorize the creation of a Quasi-Endowment Fund titled the "University of Kentucky Undergraduate Scholarships."

Background: Prior to the creation of federal financial aid programs, the University provided funding for University-Based Loans. When federal financial aid programs began, some of these programs required University matching funds which came from the University-Based Loan Fund. Some of the federal financial aid programs were discontinued over the years, leaving a balance of \$83,000 in the old University Loan Fund. The Student Financial Aid Department will place the balance of \$83,000 in a quasi-endowment fund and the income from this fund will be used to award scholarships to incoming freshmen. These scholarships will be based on ACT scores and financial need for students who are high academic achievers but were unable to receive other academic awards due to lack of funds. The awarding of the scholarships and fiscal accountability of the funds will be the responsibility of the Student Financial Aid Office in accordance with current University of Kentucky procedures and Student Financial Aid policies.

Establishment of Quasi-Endowment For
The Viji Jeganathan Scholarship

Recommendation: that the Board of Trustees approve the establishment of a quasi-endowment fund to establish Viji Jeganathan Scholarship.

Background: The Office of International Affairs proposes to establish the Viji Jeganathan Scholarship Fund. Ms. Jeganathan, a graduate student from Sri Lanka who passed away in 1987, was widely known and respected on campus for her efforts to create a culturally diverse environment in which all students could learn from each other. It is proposed that funds be utilized to establish an endowed scholarship to be awarded annually to a student who has contributed significantly towards bringing American and international students on campus more closely together. The Office of International Affairs proposes to contribute \$16,477 from fixed price contract residual funds permitting annual scholarship awards of \$800.

By this action the Board of Trustees will establish the fund and permit the allocation of funds to implement this authorization.

Establishment of Quasi-Endowment For
Study Abroad Scholarship

Recommendation: that the Board of Trustees approve the establishment of a quasi-endowment fund to establish the Office of International Study Abroad Scholarship Fund.

Background: The Office of International Affairs proposes to establish a Study Abroad Scholarship Fund. One of the primary constraints for many University of Kentucky students who would like to study abroad is the added expense of doing so. The Office of International Affairs proposes to contribute \$95,745 from fixed price contract residual funds, permitting annual scholarship awards of \$4,500.

By this action the Board of Trustees will establish the fund and permit the allocation of funds to implement this authorization.

Establishment of Quasi-Endowment For
OIA International Student Endowed Scholarship

Recommendation: that the Board of Trustees approve the establishment of a quasi-endowment fund to establish the Office of International Affairs International Student Endowed Scholarship.

Background: The Office of International Affairs wishes to establish an annual scholarship for an undergraduate international student. Recognizing that there are few sources of support for undergraduate students, OIA would like to establish a scholarship for undergraduate studies. This scholarship is to be based on merit and will be awarded to a student who, through participation in university and community activities, has promoted intercultural awareness and understanding. The Office of International Affairs proposes to contribute \$21,277 from fixed price contract residual funds permitting an annual scholarship of \$1,000.

By this action the Board of Trustees will establish the fund and permit the allocation of funds to implement this authorization.

Establishment of Quasi-Endowment For
Faculty International Grant Program

Recommendation: that the Board of Trustees approve the establishment of a quasi-endowment fund to establish the OIA Faculty International Grant Program.

Background: The Office of International Affairs proposes to establish a Faculty International Experience Grant Program. In order to encourage faculty to incorporate an international focus in their teaching, the Office of International Affairs proposes to establish a supplemental grant program to facilitate faculty international travel. Awards will only be used to supplement funds secured from other sources, and will be competed for by faculty from across the university. The Office of International Affairs proposes to contribute \$21,277 from fixed price contract residual funds permitting an annual grant award of \$2,000 with \$1,000 coming from this fund.

By this action the Board of Trustees will establish the fund and permit the allocation of funds to implement this authorization.

CONCURRENCE WITH COLDSTREAM
DEVELOPMENT AGREEMENTS

Recommendation: that the Board register its concurrence with the action of the appropriate officials of the Commonwealth of Kentucky in entering into an agreement with the Lexington-Fayette Urban County Government regarding various aspects of the development of Coldstream Farm including the provision of sewers to the project and the conveyance of property to the Urban County Government for open space and other purposes.

Background: In connection with the development of the Coldstream Research Campus the Urban County Government and the University have arrived at a series of understandings relating to the provision of sewers and the dedication of certain portions of the property for open space and recreational purposes. This series of understandings has been made the subject of a detailed agreement between the Commonwealth, the University and the Urban County Government. This action is to evidence the Board's concurrence with these arrangements.

Members, Board of Trustees:

AMENDMENT OF CODE OF STUDENT CONDUCT

Recommendation: that the Board of Trustees approve the following changes which pertain to Article I - The University Judicial System in the Code of Student Conduct, effective December 10, 1991:

(Material that is underlined is to be added.
Material that is in parenthesis is to be deleted.)

1.21e.

The threat or commission of physical violence against self or
(any) other person present on University property;

1.7 Temporary Sanctions

1.71 ... may result in injury to self or others, or University property, or in the event that the student has been charged with a crime so serious as to threaten the welfare of the University community, the Vice Chancellor may impose such temporary sanctions as the Vice Chancellor considers necessary to protect the individual or, members of the University community or its property,...

Background: These revisions are proposed to provide a mechanism to better handle certain incidents surrounding attempted student suicide by allowing the Dean of Students or the Vice Chancellor for Student Affairs to take action when it is deemed to be in the best interests of the student and the University. Currently, no such procedures are available through the Code or otherwise.

As in past years, the committee solicited proposals for Code revision from members of the University community via THE KERNEL and through a memorandum sent to each college dean. Proposals were initiated both outside and within the committee and discussed at length. The committee then endorsed and submitted the proposals to the President for his consideration and forwarding to the Board of Trustees.

The proposed revisions were approved by the President, and they were forwarded to the Board of Trustees Student Code Committee, which concurs and recommends approval by the Board.
