My Dear Father

I did not answer your letter
as soon as received, because I was expecting to get
letters from Texas and I knew that it would be a
great gratification to you and Ma to hear from them
I received a letter from Lister dated the 11th of Jan
she was up to her eyes in business and said that
she had to move into the kitchen to oversee
the cooking of dinner while she wrote, they have
some 19 in family besides their own, and Lister
has some 40, or 50, boarders, Mr Human's
brother in law a Mr Loring from Concord, and his
son and daughter a young lady about 20 years
of age are spending the winter with ~~them~~ ^{Mr Human}
Lister is much pleased with Miss Loring, says
that she makes herself at home and very useful
besides, her father has the contract for laying
the rails on the road, they are wealthy people
The rail road is now for completing the road to the
