

MINUTES OF THE UNIVERSITY SENATE
Jan. 8, 1934

The University Senate met in the Lecture Room of McVey Hall Monday, January 8, President McVey presiding.

The minutes of December 11 were read and approved.

The Committee on Duplication of Courses reported that no requests for new courses or changes in courses had been sent to the Committee, but that the College of Commerce had an emergency request, which Dean Wiest would present. This request was approved, as follows:

Commerce 146, Recovery Legislation and Problems. 3 credits, Summer Session.

The Rules Committee presented the following recommendation, which after some discussion, was adopted by the Senate:

"A regular student who fails to pass in three-fourths of the normal load required by his college in his preceding year (preceding semester of a new student) may be placed on probation by the Committee on Scholarship and Attendance. If during the semester of probation he again fails to pass in three-fourths of the normal load, he may be dropped from the University for a least one semester. The Committee on Scholarship and Attendance has power to reinstate students who have been dropped for poor scholarship, and to place a student on probation at any time.

A part-time student, carrying less than three-fourths of the normal load, may be placed on probation by the Committee on Scholarship and Attendance if he fails to pass in half of the scheduled load.

For eligibility for extra-curricular activities and initiation into fraternities, the student must have passed in at least three-fourths of the normal load in the preceding semester and must be carrying at least twelve credit hours of work."
