

of pencil and chalk marks Prof. Heron, Mr. Smith, and Maj. T. Wetts were authorized to require the occupants of the building to remove those marks. Upon consulting a few minutes it was found that a reorganization of some of the classes could be effected. The third suggestion was considered but nothing definite was decided upon.

In regard to the fourth suggestion it was resolved;

The Admission fee into the Clubs during the second term of each session shall be three fifths ( $\frac{3}{5}$ ) of that for the first term. This resolution, of course, does not apply to the Admission of those who have entered the Clubs during the present term.

An honorable discharge was granted to each of the following Cadets, viz: J. Wifford, J. B. Snow, Bramlett, and J. A. Cooper. A. J. Snow was dishonorably dismissed for leaving without permission.

There being no further business the Faculty adjourned.

February 24th The Faculty met at the usual hour.

J. B. Gardin was excused from Physical Geography.

H. E. Morrison was excused from Algebra. J. H. Moore was excused from Mr. Smith's Geography class.

E. L. Barnette's request to make some changes in his classes was left to the Profs. concerned and the President.

Henry Hamilton was arraigned on charge of having taken a drinking cup belonging to one of his comrades and having filled it with <sup>water</sup> and going into an unoccupied room on the second floor and pouring the water through a crack in the floor into his comrades below.

He then urinated in the cup and poured that through the same crack. After a short deliberation it was resolved that Hooper, Hamilton, and Key be privately dismissed. Williams, Ryan, and Pierson were also privately dismissed for leaving without permission.

A by-lough till the close of the session was granted to J. S. Kelly. The Faculty then adjourned.
