April	" Brooks and Fryer,
May	" Neville and Miller.

Pate

Ordered on motion of Professor Kastle that the regular monthly meetings of the faculty be held at 4 pm on the first Friday of each month during the current Collegiate year. Recd

The Professor of Physics cited the case of a student who was a matriculate in the Scientific Course last year, who failed to make good his standing in Sophomore Physics, whose standing was such, however, as to permit him to pass into the next class in the Civil Engineering Course, Voted on motion that the student be permitted to pass without further study in Physics. It is understood that this action shall constitute a precedent.

Adjourned

James H. Patterson
President

W. Blumley
Secretary.
