FOR MR.

YOUR LETTER

SUBJECT
OR FILE NO.

Dear Sir:

In line with your telephone conversation this morning with Mr. Parker, we are enclosing revised figures for depreciation for the Coal Mines for the fiscal year 1939.

It will not be necessary to send us another statement showing the accounts to which these new amounts are charged, as we assume the disposition will be similar to that shown in your prior letter.

Very truly yours,

WISCONSIN STEEL COMPANY
J. F. Nelson, Auditor
