

Accounting

Feb. 20, 1945.

D. W. Vittum

As requested in your letter of February 16th, addressed to Mr. Galbreath, we are giving you below the information requested for use in filing Form S. F. A. No. 79 for the month of March, 1945:

1.	Estimated number of days mine will operate -	27
2.	" production per day	2500 tons
3.	" maximum production of 5" block and 5x3" egg	20,250 tons
	Block -	13,500
	Egg	<u>6,750</u>

Of the 5" block produced, we will use approximately 1500 tons here at the mine.

J. C. Ballard
Works Auditor

CC - Mr. R. E. Galbreath, Supt.
