

April -1- 1920.

Mr. H.A. Alexander,
Superintendent,
Emboden, Virginia.

Dear Sir:-

I am informed by one of our employees who
formerly worked for your Company that from July - 1902
to November - 1905, your Company had only two accidents,
namely, James Keller, thumb cut off, and William Elmore,
fatal. Will you kindly verify this statement, as this
seems to be a rather phenomenal record.

Very truly yours,

WISCONSIN STEEL CO., INC.
