WILDCAT BALL TEAM CLOSSES SEASON AT DANVILLE SATURDAY

Coach Gill's Men Will Go Into Game in Good Condition

SLOMER MAY PITCH

Centre Wants Revenge For Early Season Defeat

Final! The baseball season of the University will close tomorrow afternoon at Danville, when the Wildcats cross bats with the Colonels. The Blue and White goes into the game tomorrow in better condition than ever before this season. After a schedule of games in which the Cats have been in and out they have come to somewhat of their last year's form.

Hitting has been woefully weak all season, and it was not until the latter part of the Southern trip that the batting eye of the Wildcats became accustomed to the sight of the ball. In the game with Georgetown, Tuesday, Coach Gill's men delivered the punch to win after being the under team for six innings. Tomorrow the Cats buck up against a team that is anxious to cop a victory over Kentucky. In a loosely played contest on Stoll Field the Colonels lost by one tally and they are out to win tomorrow.

Coach Gill will take the same squad with him to Danville that has accompanied him on the other trips. He makes no prophecy on the game. He is not decided as to whom to start in the box, but the probable selection is Bud Slomer. Bud has not shown his wares much this season and he may be the one to do the heavy work.

COUNCIL ENTERTAINS WOMEN HONOR STUDENTS

Give Banquet For Women With Average of 2.7 or Above

One of the loveliest banquets of the year was that given Tuesday evening at the Phoenix Hotel by the Women's Pan-Hellenic Council for the women honor students of the University who made an average of 2.7 or more for the first semester. This is the first time in the history of the institution that the high-distinction students have been thus honored. The decorations were red rambler roses in green baskets.

Henrietta Rogers presided as toast-mistress. The following toasts were given: "Good Fortune," Lucy Kavanaugh; "Misfortune," Katherine Weakley; "Ideals," Lorraine West; and "Success," Dean Josephine Simrall.

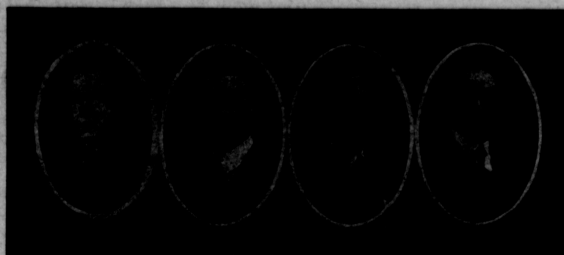

The Pan-Hellenic members present were: Gertrude Wallingford, Jessie Frye Moore, Henrietta Rogers, Mary Elizabeth Downing, Margaret Harrison, Frances Ripley, Sue Boardman Lorch. (Continued on Page 4)

President and Mrs. McVey To Entertain the Seniors

President and Mrs. McVey have issued the following invitations: President and Mrs. McVey request the pleasure of your attendance at a reception

THE RETIRING STAFF

The above picture is the Retiring Staff of the Kernel that has successfully issued the Semi-Weekly publication at the University the past year for the interest of the students and for the purpose of keeping the Alumni in touch with their Alma Mater and with each other thru the Alumni Column.

R. J. Raible, Editor-in-chief, who inaugurated the semi-weekly publication, of the Kernel; Fred K. Aushburg, Managing editor of Friday's issue; Donald J. Dinning, Managing Editor of Tuesday's issue, and H. B. Lloyd, who acted as business manager.

They have been succeeded by Gerald Griffin, Editor-in-Chief; Dan Bomar, Managing Editor of Friday's issue of the Kernel; Irene McNamara, Managing Editor of Tuesday's issue; and J. Burton Prewitt, Business Manager, who now have complete charge of the Kernel for this and next year.

DOPE IS UPSET BY KENTUCKY WESLEYAN

Methodists Nose Out Wildcats by a 7 to 6 Score

The dopesters were knocked for a goal Monday afternoon when the Wildcats of the University were defeated by Kentucky Wesleyan at Winchester. Errors were responsible mainly for the defeat suffered by the Wildcats. After having a lead of three runs for several innings, the Methodists, assisted by an error, scored four runs in the eighth inning and won the game by a 7 to 6 score.

McKinney was on the mound for the Wildcats and he pitched a fair brand of ball. Poor support behind him gave Wesleyan several runs which could have been averted. Eleven safeties were gathered off Mac's spitball delivery. The Cats hit Rees, the Winchester heaver, for ten bingles, and three of these were for extra bases.

Kentucky started off in the first inning by scoring a run. Wesleyan took the lead in the third by putting three tallies across the plate. The lead reverted to the Wildcats in the sixth frame. Baugh led off with a single, and Jones popped to first. McKinney struck out, and Propps got to first when Pearsall dropped his fly. Brown was hit by a pitched ball, filling the bases. Ridgeway singled, scoring Baugh, and then Slomer connected with a double that sent the other three runners across. Muth furnished the

DEAN SIMRALL GIVES HER LAST TALK TO Y. W.

Speaks at Installation Services of New Cabinet

Dean Simrall gave her last talk before the meeting of the Y. W. C. A. after the installation services of the new cabinet last Sunday evening. The new cabinet girls were dressed in white and the installation services, with the lighted candles and soft music, were beautiful and impressive.

The subject of Miss Simrall's talk was "Broken Swords." She took up in turn the broken swords of social standards, brotherly love, home influences and faith in God, and suggested what could be done to mend them.

A special girls' choir furnished the music for the evening.

ANOTHER EXHIBITION OF FINE PAINTINGS

New Exhibit Put on Display By Art Department Thursday

The Art Department of the University has secured another exhibition of paintings by a group of the best American artists. The exhibit opened Thursday and will continue until June 8, and all the students are invited to view the pictures. They are by such artists as Robert Henri, Frederick Waugh, James R. Hopkins, A. N. A., of Cincinnati, just honored by the National Academy; Mr. Wise and Mr. Wessel, of Cincinnati, "Breath of Spring," the beautiful painting by Metcalf; and two of the wonderful Duve-neck paintings which it is very much hoped will find a permanent resting place in the University art gallery.

The collection of Wincie King cartoons will remain on exhibit at the same time and no one should miss seeing these as the best critics consider Mr. King second to none in the United States as a cartoonist.

It is a great privilege for the students to get a glimpse of these fine paintings.

President McVey delivered the commencement address at Mt. Sterling High School on Tuesday evening and at Sharpesburg High School on Wednesday.

GEORGETOWN'S TIGERS DEFEATED SECOND TIME

Wildcats Land on Bailey in Sixth Inning for 6 Runs

After holding the Wildcats runless and almost hitless for six innings, Bailey, Georgetown College's crack hurler, weakened and Kentucky scored six runs and subsequently put the game away on ice, Tuesday, at Georgetown. Cooper was on the mound for the Blue and White and helped along by ideal baseball weather he held the Tigers to five bingles. Kentucky made its eight hits go for the same number of runs. The five bingles of Cooper were opportune, however, and three runs were made by Georgetown.

This victory over the Tigers is the second for the Wildcats over the Tigers this season. The outlook for the contest looked doubtful for the Cats in the first half of the game. The Tigers scored a run in the first stanza and added one in the third and another in the fourth inning. In the fifth frame Cooper tightened and from then on Georgetown went runless.

"Speedy" Propps led off in the sixth by hitting the pill for three corners. This was the hoisting of the flag, six runs being put across the rubber before the side was retired. The eighth inning found the Wildcats hammering Bailey for several more hits and incidentally two more runs. Propps helped himself to two three-baggers as his portion of the hits.

AMERICAN BLOWER CO. SELECTS UNIVERSITY

Kentucky One Out of Four Institutions Picked

A significant tribute to the qualities of the engineers at the University of Kentucky was received Saturday. The American Blower Company of Detroit, Mich., one of the best known heating and ventilating concerns of this country, has written to the College of Engineering as follows:

"It is the intention this year to only take four students, one from the University of Kentucky, Wisconsin, Illinois and Purdue."

When it comes to selecting men by the American Blower Company, the three latter universities are put in a class with the University of Kentucky.

F. E. Eastwood, of the class of 1921 of the University of Kentucky, has been recommended for the position of a Kentucky graduate.

E. Farquhar delivered commencement addresses at Paint Lick and LaGrange, May 26 and 27.

STUDENT GOVERNMENT CONSTITUTION VOTED ON FOR SECOND TIME

374 Affirmative Votes Required For Action On The Matter

MANY CHANGE VIEWS

Only 319 Votes Cast At Tuesday's Meeting

At a meeting of the men students held in the Chapel Tuesday morning to vote upon the Student Government Constitution which has been proposed for the University, 243 affirmative votes and 77 negative votes were cast. As only 319 votes were cast Tuesday, and since 374 are required for action upon the matter, a second voting will be held today. Ballot boxes will be placed in the Administration Building for the A. B. and Law students, in Mechanical Hall for the Engineering students and in the Agricultural Building for the Ags.

Since the meeting in the Chapel Tuesday, many who at that time cast negative votes have, after discussion, changed their views regarding student government.

The committee appointed by Doctor McVey to frame the constitution for student government met Wednesday afternoon and will meet again Saturday with the faculty to confer regarding the matter.

All men students are urged to place their votes in the ballot boxes today.

ENTHUSIASTIC MEETING OF Y. M. C. A. SUNDAY

Doctor Best Speaks on "The Investment Of Life"

Dr. Harry Best spoke at the regular meeting of the University Y. M. C. A. Sunday evening at 6:30. This was one of the most enthusiastic meetings of the year and the men of the new cabinet have stated that they intend to make every meeting next year just as good.

Robert Clem, chairman of the music committee, and J. R. Curry were in charge of the music, and Willis Downing sang a beautiful solo.

Doctor Best spoke on "The Investment of Life" and said: "If you invest your life in service for others it is different from other investments: first, because you begin getting a return immediately, and secondly, your investment never stops paying dividends but lasts on through eternity." The life of John Howard, the great prison reformer, and Florence Nightingale were given as examples of a life well invested.

Next Sunday there will be a joint meeting of the Y. W. and Y. M. C. A. at Patterson Hall. B. S. Ding, a Chinese

"The Catboat" To Be Repeated for Alumni

Percy McKaye's delightful and charming play, "The Catboat," will be repeated Monday afternoon, June 13, in the Little Theater at three o'clock. This will be during Commencement week and will be especially for the benefit of the visiting alumni. The same cast that so ably handled the play for its performance in the Little Theater series will take the same parts again.

THE NEW "KENTUCKY"

The University is approaching the end of a year that has meant more for its development than any year in its history. Under the skillful guidance of President McVey the school has at last started on its journey to the top of the educational ladder. Due to his tireless efforts the attention of the people of the State has been turned to the institution which means so much to the education of Kentucky's men and women.

A few years ago the University of Kentucky was practically unknown in some parts of the State and a great many of the influential people thought it necessary to send their sons and daughters out of the State to secure their education. But now, due primarily to the efforts of Doctor McVey, things have changed and our Alma Mater is recognized everywhere as one of the leading educational institutions of this section of the country.

True, it is overcrowded and students have to be turned away every year, but if the bond issue passes the legislature and the necessary appropriations are made for the development of the University, conditions will be changed and there will be room for all. Not only that, but new buildings will be erected, the faculty will be enlarged and the campus beautified. The people of Kentucky will point with pride to their University as being one of the finest in the country and the alumni will always remember the great work of President McVey in making it possible.

There will be no more regular issues of the Kernel this semester as the staff will have enough to do in preparing for the examinations which are so near at hand. However, there will be an issue on June 10th which will be in the nature of a commencement "extras" edited by a special staff composed entirely of Seniors under the supervision of Donald Dinning and Robert Raible, former editors of the Kernel, and Fred Augsburg, former managing editor.

WHO'S WHO AMONG KENTUCKY ALUMNI

(Editor's Note: This is the first of a series of sketches of prominent alumni published with a view to showing what has been done with the equipment obtained at the Alma Mater and what some of the leading graduates want to see accomplished.)

James W. Carnahan, A. B. '96, entered the educational field as a teacher at the Bennett Memorial School, going after a few years with Ginn and Company, educational publishers, in charge of northern Ohio. In recognition of his ability as a business man and organizer, Mr. Carnahan was asked to become secretary-treasurer of an organization to promote international peace to which the president of Ginn & Company, himself, contributed \$1,000,000. This was declined by Mr. Carnahan because he had decided to organize a business of his own.

A partnership was formed in 1912 with J. A. Lyons, of Chicago, the firm being designated Lyons & Carnahan. On the death of the senior partner last November, Mr. Carnahan purchased the former's interest, reorganized and incorporated the business and was elected president. School books for the grades and high schools are published now by Lyons & Carnahan and a special list of commercial publications. The company has extended its territory to include China, Japan, the Philippines, Canada and the entire United States.

The inheritance of a robust constitution, valuable experience on the football field, the influence and guidance of "a great man, James K. Patterson," and the capacity for hard work are the elements in his success cited by Mr. Carnahan.

Although a student of diversified endeavors, Mr. Carnahan says if he were to be an undergraduate again he might devote more attention than before to student activities. Among things hoped for, he has spoken of better equipment for the University, adequate pay for the faculty and for the University to "come into its own" in athletics "so we might be able to invite our teams to Chicago, New York or anywhere else to play the best teams in the country."

Harold L. Amoss, B. S. '05, now associate member in Pathology and Bacteriology, Rockefeller Institute for Medical Research, New York, began work as an assistant to Dr. Joseph H. Kastle at the Kentucky Experiment Station. Later he was with the Hygiene Laboratory of the U. S. Public Health Service, the Federal Bureau of Chemistry, physiological chemist at the Western Pennsylvania Hospital at Pittsburgh, assistant in Preventive Medicine and Hygiene at the Harvard Medical School.

Doctor Amoss has been with the Rockefeller Institute since 1912. He has written articles on peroxidases, expired breath, dysentery, poliomyelitis, meningitis, encephalitis and experimental epidemiology, which have attracted universal attention. Among things he would like to see brought about on the campus he has mentioned the development of a modern department of Student Health (the University of Kentucky is leading the Middle West in this) and "at least one member of the faculty of each department who by personality, precept and example would give the student more than technical training."

POLITICAL ANNOUNCEMENT OF GEORGE R. SMITH

For the first time in the history of the University of Kentucky one of her graduates seeks the office of Commonweal's Attorney for Fayette County.

The University has not grown, in the past, with the strides which have marked the progress of many of her sister institutions. One reason for this has been due to the failure of our university to exhibit a genuine interest and concern in the welfare of her graduates — an interest so strikingly noticeable in the policies of other institutions in the state, whose graduates, in turn, have striven for the upbuilding of their alma maters, but whose regard for the University of Kentucky is secondary.

I assure you that I have the interest of the University at heart, and I request, and will greatly appreciate, the consideration and loyal support of university men and women, and of the alumni. The results of my candidacy, as I sincerely believe and intend, will accrue to the mutual advantage of us all.

GET MEDALS NOW

Colonel George D. Freeman, of the Military Department, requests that all men desiring Victory medals for military service during the World War, call at his office for application blanks. All men are eligible who have served in any active branch of the service, including the regular army, the National Guard, the S. A. T. C., etc. It is imperative that those making application do so at once as the time is limited in which the medals may reach the department here.

SPECIAL KERNEL FOR COMMENCEMENT WEEK

An Alumni edition of The Kernel is being planned for Commencement week, at the University, by Seniors in the Department of Journalism. This issue will probably contain ten pages and will give the complete program for Commencement week, besides a resume of the achievements of the University during the last nine months.

June 10 will be publication date for the special issue. It will be edited by Donald Dinning, Fred Augsburg and Robert Raible.

GRADUATES FOR 1921 ATTENTION

Class rings for graduates of the University of Kentucky are in process of the making. These rings will be heavy weight, excellent quality and best of workmanship, price \$12.00

Most every graduate has a desire to possess a beautiful class ring to commemorate this eventful period in University history, and have your measure taken for one of these worthy emblems of University days.

ONLY THREE TEAMS LEFT IN TOURNAMENT

Sigma Nu, Kappa Sigma and A. T. O. Still in Race

The inter-fraternity tennis tourney will be decided by Tuesday afternoon, with the weather permitting. Six of the nine frats have been eliminated and those still in the race are: Sigma Nu, Kappa Sigma and Alpha Tau Omega.

A beautiful loving cup will be given by the Pan-Hel council to the winning team.

The contest between the A. T. O.'s and the S. A. E.'s played last Tuesday afternoon on the Woodland Park tennis court was the closest of the season. All three sets were played and two of them were duced, the last ending 7 to 9 in favor of the A. T. O.'s.

Monday afternoon on the Woodland courts the Sigma Nus play the Kappa Sigs and the winners play the A. T. O.'s the following afternoon for the cup.
