

Memorandum

Mr. Sebastian will be good as to inquire into the suit myself against Turner Richardson. I'm on an obligation for forty pounds. The suit was brought by Mr. Innes Eighteen Months past, & nothing I believe has been, at least I still lie out of my money.

Myself against Joyce for Ninety odd pounds; This is for a bond on Wm. Wrenkridge which I assigned to Mr. Joyce & took his receipt for the same, to be accountable to me for the same on his return from Philadelphia (or the money I am not certain which, but so it is I have not rec'd. either). This suit was brought by Mr. Innes, the papers are in his hands. Mr. Joyce rec'd. this bond some better than five years ago. I have frequently made a demand of the bond before witnesses, before suit was commenced.

I have Mr. John Finley's Note for twenty three pounds ~~and~~ <sup>which</sup> for which I seem he gave an order on Mr. James Brown, to be paid out of some money he was to collect for Finley. be pleased to inquire of Mr. Brown what has been done, and what prospect I may have for my money.

Yours with respect

Oliver B. <sup>of</sup> ~~Washington~~
