Look close Mr Justice you are in this picture as well as a host of your friends. Kindly accept it just as a relick of long ago .

This picture was taken twenty years ago at Augusta Ky. H urbert M Hill Post I25 American Legion was just getting under way and you happened to be in town on that day and helped us get going.

My very good friend the Hon. Raymond Thompson U.S. Marshal Haveing Business In Washington agreed to take this picture with him so that you can get as much kick out of looking at all these ugly mugs. as I did, when I found it after all these years.

With the best of wishes for your continued Success . I Remain
