

With respect and admiration this gift album is presented:

To the Honorable Fred M. Vinson,

Chief Justice of the United States Supreme Court,

A native Kentuckian who, in a long association with
Lawyers, Politicians, Statesmen, Diplomats and plain People,
Has succeeded in meeting them all on their own ground
and in capturing their loyalty and affection.

all this he has accomplished without sacrifice of integrity
or his warm Kentucky-bred sense of humor!

I applaud a great American!
