The following recommendations from the College of Arts and Sciences were approved:

"The faculty of the College of Arts and Sciences recommends to the Senate the following changes in requirements for the degree of Bachelor of Science in Industrial Chemistry:

1. Instead of Chemistry 113a and b, Organic Chemistry, eleven credits, require Chemistry 127a and b, Organic Chemistry, 10 credits (5 credits per semester).

2. Instead of Chemistry 115a and b, Physical Chemistry, six credits, require Chemistry 131a and b, Physical Chemistry, eight credits (4 credits per semester)

3. Drop Hygiene 1b, 1.3 credits and substitute Hygiene 1 for 1a, 1.3 credits.

The effect of these changes is to reduce the total requirements for graduation by .3 of a credit."

The following recommendation from the College of Law was approved:

"Students having the major part of their work in law must in all cases register in the College of Law.

Seniors registered in other colleges, and by reason thereof carrying at least one-half of their work therein, may take as many as eight hours of law during a semester, selected from the following courses: Contracts, Torts, Agency, Crimes, Property I and II, Constitutional Law, Taxation, Municipal Corporations, Public Utilities and such other law courses as the Dean of the College of Law may approve

Students registered in other colleges who are not seniors may take work in the College of Law, only on securing the consent of the Dean of the College of Law.

Students taking the combined six year Arts-Law or Commerce-Law courses should, before taking up law subjects, complete the first three years of Arts or Commerce work, including all subjects required for the degree in these colleges." *and*

The following proposed rule was read and action postponed to the next meeting:

"Teachers in service carrying full teaching loads are not allowed to gain more than 6 credits a semester in the University."
