

ink things as we like very encouraging
I am sending you with this to any paper
if you only hear the hearing you will
see the things are in Toledo - I wish
I could send you and may be each a few
dolls, but I have so many other-ered, and
all of my own things to work out to offer
to you. I am having to hear my self down
to work, and the two born all under the
arms now - but I have the credit
that I have time to make over, and
never could, which if you think you could
use for either of you I will send you, I
cleanse the other not long ago, and it

Dear Lou - I was glad to get
your letter, for I just cannot
keep from feeling anxious
and worried about all of
you when I do not hear often
I have had so many things
to worry me lately that I
cannot even remember when
I have written or received
letters, it always seems
such a long time between
them, and I resolve every
