#### COPY REQUESTS BETWEEN THE BRANCHES AND KING LIBRARY

The procedures for Branch Library requests for photocopies of King Library monographs and serials have been changed. Once it has been determined that the item is in the King collection, an Intra-library Loan Request form should be filled out and mailed to either Melanie Palasia in Circulation (book requests), or Lewis Warden in Periodicals/Newspapers/Microforms (periodical requests). Telephone requests should be limited to emergency situations.

The item will be located, copied, and returned to the Branch Library as soon as possible. It is the responsibility of the Branch to provide a correct citation and call number. Intralibrary loan copying is a service limited to the UK Library system and all copies will be charged to the Libraries. As in the past, copy service requests from individuals must be made in person and the materials to be copied brought to the Periodicals/Newspapers/Microforms Department service desk.

Request forms are available from Melanie and Lewis.

FROM LSO

SO LONG ELIZABETH AND ADELLE

The LSO and invited guests gave Elizabeth Howard (Biological Sciences Librarian) and Adelle Dailey (Music Librarian) a great sendoff on June 5th. Assorted roses (compliments of our green thumbed staff members) adorned room 504 where a buffet luncheon was served to the approximately 100 guests. In honor of their retirement the LSO presented Elizabeth with a heart-shaped lead crystal covered candy dish and Adelle with a lead crystal basket with a silver handle. Elizabeth is retiring after 17 years of service and plans to travel and write. Adelle retires after 21 years of service and after traveling in Europe she plans to come back to U.K. as a Donovan scholar.

Three friends of the Library who are retiring were also honored by the library staff. Dr. Lewis Cochran, Mr. William Davis, and Mr. John Simcox were presented with gifts purchased by private funds but presented on behalf of the library staff. Dr. Cochran was presented with an engraved gold lighter, Mr. Davis and Mr. Simcox both received initialized key chains. The LSO joins together to wish all these people well on this milestone in their lives.

PICTURES

The LSO has put together photo albums highlighting some events of 1980 and the memorable events of 1981. There are duplicate pictures available on a first come first served basis. If you are interested in having any of these contact Barbara Galik in Reference. We also have the negatives from all the events except the 1980 LSO picnic and Christmas party (camera malfunction foiled our photogaphic attempts for that event). If you are interested in copies of these pictures check with Barbara Galik in Reference at 7-1631.

HELP - HELP -- The 1980 LSO album is available for inspection in the Director's office. We would appreciate it if you would lend us a hand on some of the unknown faces. Please browse through it and add anyone you can to the list. We plan to pass this along to archives so let's have an accurate record of the staff and friends. We hope to bring them out at the golden jubilee.

ANNOUNCEMENTS

Don't forget the LSO picnic in July.

The LSO will be active during the summer with activities and fund raisers. Be on the lookout for their events. They hope to raise some cash to have some good parties and buy volleyball equipment as well (a bake sale in July so far). Be a friend and support LSO.

You will be soon receiving a ballot to amend the LSO constitution. So far you will be asked to consider the addition of two committees, a Staff Lounge Committee and a Fund Raising Committee.

The Great Chefs are alive and well they are just out of a place to perform. They have had some logistics problem this spring but hope to be cooking again by late summer or early fall.

#### THANK YOU

June 8, 1981

Dear Barbara,

I want to thank you and all the members of the Staff Organization for the lovely gift and beautiful luncheon you had for Adelle and me. It certainly took lots of hard work to have such a wonderful party.

I shall cherish the pretty glass box as long as I live and it will always remind me of you and all the Staff and that lovely day. -- Sincerely, Elizabeth.

Dear Barbara,

Please convey to the Library Staff Organization my gratitude for the beautiful luncheon you arranged for Elizabeth and me last Friday. It was truly a memorable occasion for me! The lavish food, the elegant flowers, the kind words, and the handsome gift of crystal will be part of my most happy memories of the library and my colleagues.

With gratitude and all good wishes to the LSO and to you personally. -- Adelle

Thank you so very much for your contribution to our class in memory of Mr. Shubert. We appreciate the gift and the thoughts behind it. -- Sincerely, Phelatheia Class. (Mr. Shubert was Vivian Hall's father and the LSO made a contribution in his memory.)

Thank you for being so nice to me during my stay here in the Library and for including me in the retirement activities and dinner. -- John R. Simcox
