D. Sale of \$300,000 of University of Kentucky Bonds Dated April 1, 1960, Approved.

The Presiding Officer then reminded the members of the Board that, at the regular meeting held on December 13, 1960, a Resolution had been adopted, authorizing the issuance of \$300,000 principal amount of "University of Kentucky Housing Bonds of 1960", to provide the cost (not otherwise provided) of two new buildings for housing approximately 96 male students (including dining and other appurtenant facilities) currently under construction upon the campus of the University, and authorizing the execution of a Trust Indenture for the security thereof. Thereafter, at a regular meeting of the Board on April 4, 1961, it was resolved and agreed that bids for the purchasing of said bonds, or for the purchasing of one or more of the blocks thereof as provided in the University's Loan Agreement with Housing and Home Finance Agency of the United States Government, be opened and considered upon the occasion of this meeting. He exhibited to the Board a signed copy of a short form of "Notice of Sale of Bonds," together with affidavits from employees of The Bond Buyer, New York City, and The Courier-Journal, Louisville, Kentucky, showing publication thereof in said respective newspapers on May 17, 1961. He also exhibited a longer form of "Official Statement of the Board of Trustees of the University of Kentucky", together with appropriate financial information concerning the University, all of which he reported had been furnished in mimeographed form to all interested parties upon request.

On motion of Board Member J. Stephen Watkins, seconded by Board Member Ralph J. Angelucci, and unanimously adopted, it was ordered that these instruments be preserved by the Secretary as permanent records of the University and of the Board of Trustees relating to the proper public solicitation of purchase bids, but without reproducing the same as parts of the minutes of the meeting.

The Presiding Officer then announced that the time established for the opening and consideration of bids for the purchasing of said bonds had arrived and that the bidding was closed. The Secretary then reported that the only bid received had been a bid of Housing & Home Finance Agency of the United States Government.

It was noted that in conformity with the University's Loan Agreement this bid offered to purchase the entire bond issue, or such lesser amount of the bonds as might be awarded to it if a better bid or bids should be received in conformity with the prescribed terms and conditions, such bid being at a price of par or face value plus accrued interest, upon condition that all bonds awarded to said Housing & Home Finance Agency be caused to bear interest at the rate of three and one-eighth per cent (3-1/8%) per annum.

The Presiding Officer then inquired whether it might be possible that other bidders were outside the meeting room waiting for an opportunity to be heard, but upon investigation by the Secretary it was determined that this was not the case.

Thereupon Board Member J. Stephen Watkins introduced and moved immediate adoption of a Resolution, as follows:

A RESOLUTION OF THE BOARD OF TRUSTEES OF THE UNIVERSITY OF KENTUCKY ACCEPTING THE BEST AND ONLY BID RECEIVED FOR THE PURCHASING OF \$300,000.00 "UNIVERSITY OF KENTUCKY HOUSING BONDS OF 1960," AS AUTHORIZED BY A RESOLUTION ADOPTED BY THE BOARD OF TRUSTEES ON DECEMBER 13, 1960, AND ESTABLISHING THE INTEREST COUPON RATE MADE APPLICABLE TO SAID BONDS.

NOW, THEREFORE, THE BOARD OF TRUSTEES OF THE UNIVERSITY OF KENTUCKY HEREBY RESOLVES, AS FOLLOWS:

Section 1. It is hereby determined and declared that the best and only bid received prior to 11:00 A.M., Eastern Standard Time, on May 31, 1961, for the purchasing of all or any part of the \$300,000.00 "University of Kentucky Housing bonds of 1960", as authorized by a Resolution adopted by the Board of Trustees on December 13, 1960, was and is the bid of the Housing & Home Finance Agency of the United States Government, offering to purchase the entire Bond issue at par or face value, plus accrued interest to delivery, upon condition that the same be caused to bear interest from their date until paid at a single uniform interest rate of three and one-eighth per cent (3-1/8%) per annum. Said bid is found to be in conformity with the University's Loan Agreement with said Housing and Home Finance Agency, and is hereby accepted in the name and on behalf of the University of Kentucky. Said bid, together with this resolution of acceptance, shall constitute a firm contract for the purchasing and selling of said entire Bond issue.

Section 2. Said Bonds shall bear interest from their date until paid at a single uniform interest rate of three and one-eighth per cent (3-1/8%) per annum, and the printer may be instructed to proceed accordingly.

Section 3. Said Housing and Home Finance Agency, by a letter dated December 2, 1960, signed by its Regional Administrator and addressed to the Vice President of the University for Business Administration, having requested the University to issue these Bonds in denominations of One Thousand Dollars (\$1,000.00) each with semiannual interest coupons attached, in the event the Government became the purchaser thereof, the Vice-President for Business Administration, or the Municipal Bond Attorneys employed to prepare and approve the Bonds, may give proper instructions to the printer without further action on the part of this Board.

Section 4. This Resolution shall be in full force and effect from and after its adoption.

The motion to adopt the Resolution was seconded by Board Member Ralph J. Angelucci, and said motion having been duly considered, the Presiding Officer put the question of the adoption of said Resolution, and the following voted:

Voting "Aye": Harper Gatton, Dr. Ralph J. Angelucci, Dr. H. B. Murray, Dr. R. W. Bushart, W. F. Foster, Dr. Paul B. Hall, Floyd H. Wright, J. Stephen Watkins.

Voting "Nay": None.

Whereupon the Presiding Officer declared the said motion duly carried and said Resolution adopted.

5. Odie McDonald, an employee of the Agricultural Experiment Station.

Mr. McDonald, while working on the UK Mercer Farm, Beef Cattle Section, Harrodsburg, Kentucky, on February 16, 1961, received a deep cut in his left forefinger while sawing down trees. Stitches were taken and two X-rays made, which indicated a chipped bone. The following bill has been rendered by Dr. Bacon R. Moore, and is recommended for payment:

Dr. Bacon R. Moore, Harrodsburg, Ky.	\$40.00
Office visits	\$20.00
X-rays	10.00
Surgery	10.00
	<u>\$40.00</u>

6. Harold Moberly, an employee of the Agricultural Experiment Station.

Mr. Moberly was injured on March 3, 1961, while working as a carpenter's helper at Poultry House on Poultry Farm. He was putting up new rafters when the rafters fell on him, knocking him down and pinning him against other wood. He was sent to the Good Samaritan Hospital for X-ray and observation. The following charge has been rendered and is recommended for payment:

Good Samaritan Hospital, Lexington, Ky.	\$ 7.00
---	---------

If in order, please present these accident cases for consideration by the Board of Trustees. My recommendation is that approval

be given to pay the respective charges made for services rendered in these accident cases, on the usual condition that the University assumes no responsibility of negligence in connection with these accidents, and that such approval establishes no precedent.

Sincerely yours,

(Signed)

George R. Kavanaugh

Dr. Hall asked if the University carries Workmen's Compensation. He was advised that it has been the policy of the University to carry its own workmen's compensation and to take care of injuries as they occur, and that the experience of the past twenty years indicates that the University has had a great saving financially in handling injuries under its existing policy.

Mr. Peterson then recommended that the invoices for services in connection with Milton Noble, Harold Moberly, Adren McCord, Ben Culbertson and Odie McDonald be approved for payment, without admitting negligence or liability on the part of the University.

On motion duly made, seconded and carried, the University Board of Trustees authorized payment of claims referred to in the letter above copied, with the expressed understanding that the University does not admit negligence in relation to any claim involved herein named, and neither does it admit liability in any case herein named.

M. Timber, Robinson Forest, Sale Approved.

Mr. Peterson recommended that the Board grant authority to advertise for the sale of 750,000 board feet of timber according to a master cutting schedule in the Laurel Block of Robinson Forest. He stated that it was necessary to our forest management program to set up specifications relating to the cutting and removing of timber. He also reported to the Board that there is in existence a contract of several years' standing giving an individual first refusal of cutting of timber but that he was of the opinion that the provision is of no effect and he desired to advertise for the sale of the timber in order to establish a fair basis.

Upon motion duly made, seconded and carried, the request was granted and the sale authorized.

N. Surplus Property Disposal Approved.

Mr. Peterson reported that from time to time the University has surplus property to dispose of and he desired to bring this before the Board in order to have a record to go into the Minutes. He read a list of surplus property as follows:

#### O. Approval of Degrees for June Commencement.

President Dickey presented the program for the 94th Annual Commencement Exercises, including the list of graduates recommended for various degrees. He stated that the list of graduates had been presented and was before the Board, but that it could not be definitely ascertained until the recommendation of the University Faculty on June 2. He recommended that the list of graduates be approved, subject to approval of the University Faculty and their recommendations, and that the President of the University be empowered to confer upon each candidate the degree to which he is entitled, at the Commencement Exercises, June 5, 1961.

### P. Major Medical Insurance Program Approved.

President Dickey presented a Major Medical Insurance proposal which had been evaluated by the Employees Insurance Committee. He stated that the insurance committee had received from various underwriters major medical expense coverage proposals. The Employees Insurance Committee submitted its proposal and recommended that the proposal submitted by the Teachers Insurance Annuity Association of America be accepted and that the same be approved and authorized presented to the eligible group of University employees. President Dickey presented a list of questions and answers in connection with the Major Medical Insurance program. He presented Dr. Ralph R. Pickett,

Chairman of the Employees Insurance Committee and asked Dr. Pickett to give any further information he thought necessary. Dr. Pickett further explained the program.

Members of the Board of Trustees discussed the proposal briefly and expressed delight that a major medical insurance proposal would be submitted to the University staff, and upon motion duly made, seconded and carried, authorized the plan accepted, and directed that the employees of the University be given an opportunity to accept and participate in the plan.

Q. Consultative Services Approved.

Dr. J. R. Meadow, Acting Dean of the College of Arts and Sciences, presented through Dr. Dickey a request that Dr. Willis A. Sutton, Jr., and Dr. Sidney J. Kaplan be granted permission to do consultative work for the State Commission on Human Rights. He stated that the amount of time involved would not require more than one to two weeks of work, which work would be done mainly during the interim between semesters in June. The fee involved would not exceed \$400.00 and the work to be done would not interfere with the regular duties of Dr. Sutton and Dr. Kaplan. The President recommended that the request be granted.

President Dickey also submitted a recommendation from Dr. J. R. Meadow, Acting Dean of the College of Arts and Sciences, that Dr. Wendell C. DeMarcus, of the Physics Department, be given permission to act as consultant for the U. S. Atomic Energy Commission on classified work. He stated that Dr. DeMarcus did not know his duties but that his compensation would approximate \$12.00 per hour and would not exceed eight hours of his time during any week.

President Dickey also presented a request and recommendation from Dr. William A. Seay, Acting Dean and Director of the Agricultural Experiment Station, that Dr. James R. Rooney be permitted to act as consultant to the Pathology Division of the United States Army Chemical Corps, Biological Laboratories, Fort Detrick, Maryland.

President Dickey recommended that the requests be granted, and upon motion duly made, seconded and carried, permission was granted for consultative services by the persons recommended.

R. Admission Fee, Kentucky Life Museum, Approved.

President Dickey read the following letter:

April 22, 1961

President Frank G. Dickey  
Administration Building  
University of Kentucky

Dear Dr. Dickey:

Reference is made to a conversation which we had some weeks ago regarding charging persons who come to see Waveland and the

University's Kentucky Life Museum.

Recently, I have investigated the matter of charging and have learned that the leading museum directors are of the opinion that a charge, even though nominal, should be made. The directors feel that the public has greater respect for museums that charge, except in certain unusual cases, than those which do not. Moreover, charging keeps away a certain undesirable element, causes visitors to feel that they are really getting something, as well as provides funds which most museums sorely need.

Under the circumstances, therefore, I recommend that a charge be made of 50¢ for adults, 25¢ for school children and 35¢ per person (other than school children) in groups of ten or more. It is understood that the charge would not be made until after the opening of the slave quarters. My reasons for suggesting the low fees are because our museum is a part of the University (owned by the state) and the desire that as many as possible receive the educational benefits available.

In our conversation, you suggested that action would have to be taken by the University's Board of Trustees or by the Executive Committee. I request therefore that the matter be brought to the attention of one of these bodies at a time you deem desirable.

Best good wishes.

Sincerely,

(Signed) Hambleton Tapp  
Director

The President recommended approval, and upon motion duly made, seconded and carried, the admission fees suggested were approved and authorized.

S. Free-Fee Scholarship Approved.

President Dickey stated that he desired to submit the name of Keum Sun Synn and recommended that she be granted a free-fee scholarship for the academic year 1961-62.

Upon motion duly made, seconded and carried, the Board concurred in the recommendation of the President.

T. Restricted Budgets Approved.

President Dickey submitted budgets for 1961-62 for Account 3234 and Account 3240, College of Commerce. He stated that the information for these budgets was not available at the time the University budget was presented. He stated that the money for Account 3234, in amount \$58,100, would be received from the Kentucky Department of Highways and the amount of money for Account 3240, \$5,225, would come from outside sources for publication cost.

The President stated that the budget for foreign agricultural contracts, amounting to \$22,800, would come from the Federal Government sponsoring foreign agricultural programs.

He submitted a recommendation to allocate from unappropriated funds \$600.00 for electrical engineering research work.

The President recommended that these budgets and budget adjustments be approved and, upon motion duly made, seconded and carried, the budgets submitted were approved and budget adjustments were authorized made.

U. Dr. S. O. Navarro Appointed Director of the University Computing Center.

President Dickey stated that Dr. John W. Hamblen would leave the University, and that he desired to recommend that Dr. S. O. Navarro be appointed director to replace Dr. Hamblen, effective September 15, and that Mr. Ron Cummings be named acting director from July 1 to September 15, 1961.

Upon motion duly made, seconded and carried, the recommendation was concurred in.

V. Dr. Robert Goodpaster, Director, Ashland Center, Approved.

President Dickey stated that Dr. Clyde L. Orr, Director of the Ashland Center, had resigned to accept other employment and recommended that Dr. Robert Goodpaster be appointed Director of the Ashland Center. He gave the background of his training and employment record.

Upon motion duly made, seconded and carried, Dr. Robert Goodpaster was approved as director of the Ashland Center.

duly made, seconded and carried, Ben R. Simpson, Sr., was given change-of-work June 1, 1961, at an annual salary of \$1,200.00. The change-of-work assignment is to clean and lubricate equipment in the heating plant as directed by the Chief Operating Engineer.

Upon motion made, seconded and carried, the recommendation was approved.

X. Change-of-Work for Dr. William D. Valleau Approved.

Valleau, Distinguished Professor of Plant Pathology, who has been with the University since August 13, 1919, a period of 41 years and ten months. Dr. Valleau was born February 17, 1891, and, under the present policy, is entitled to an annual salary of \$4,960.00. His change-of-work duties will be to continue studies of certain tobacco diseases and genetics of tobacco and to serve as consultant on various tobacco research projects.

Upon motion made, seconded and carried, the recommendation was approved.

E-1. Counseling and Guidance Training Institute Trainees--Out-of-State Fees Waived.

President Dickey read the following letter:

May 31, 1961

Dr. Frank G. Dickey  
President  
University of Kentucky

Dear President Dickey:

The contractual agreement into which we have entered with the U. S. Office of Education for the National Defense Education Act Counseling and Guidance Training Institute specifies that enrollees will not be required to pay tuition, however, it does not stipulate that incidental fees which are charged to all students at the University may be paid out of NDEA funds. Interpretation of this stipulation by the U. S. Office means that we cannot require any out-of-state enrollees to pay that portion of fees which are restricted to that group; and neither can we authorize payment of such out of NDEA allocated funds.

This is to request your approval and formal action by the Board of Trustees to waive the out-of-state tuition for the following enrollees of the 1961 Institute:

Gillespie, Doris C. (Mrs.)	- Charleston, West Virginia
Kiser, George E.	- Jennings, Missouri
Kyle, George H.	- Slippery Rock, Pennsylvania
Martin, Patricia	- Miami, Florida
Mulligan, Glenn F.	- Garrett, Indiana
Sparks, Hermon	- Dayton Ohio

Your assistance is most appreciated.

Cordially yours,

(Signed) Leslie L. Martin  
Dean of Men  
Director, NDEA Institute

Upon motion duly made, seconded and carried, the recommendation was concurred in.

F-i. Physicians' Park, Inc., Request Approved.

A group of local doctors known as Physicians' Park, Inc., made a request that the University join a group of residents adjacent to the property on the Nicholasville Road, west of the Experiment Station Farm, known as the McGinnis Place, now owned by the SAE fraternity, in petitioning that this be changed from Zone 3 to Zone 4 in order that they might construct a number of physicians' offices. Members of the Board discussed the request and could find no harm in having physicians quartered at this location, and upon motion duly made, seconded and carried, approved the request.

G-1. 1961 Catalog Presented.

President Dickey called attention of members of the Board to the new catalog, the format of which had been changed. Mr. Harper Gatton, Acting Chairman of the Board, extended congratulations to the University for the clearness and improvement of the catalog. President Dickey also submitted copies of a new publication known as "The Ramparts We Watch".

H-1. University Retirement Plan.

President Dickey reported that the committee was making progress on submitting for consideration a retirement plan for employees of the University, and that he was in hope of getting the program in time to coordinate it with the state budget request of 1962-64. He informed the members of the Board and others concerned that progress was being made.

I-1. Euclid Underpass.

Mr. Floyd Wright asked about the extension of Euclid Avenue and the status of the plans. He was advised that, as far as the University knew, the plans were dormant at this time but that the University had not granted an easement, neither had an easement been requested. The plans approved by the University provide a walk-through and eliminate all objections that were generally had to an underpass.

J-1. Commencement Program.

President Dickey called attention of members of the Board to the Commencement program and to the exercises that would be held on June 4 and 5. He urged members to be present.

K-1. Gifts.

From: Dairy Products Association of  
Kentucky, Louisville, Ky. --\$1,320.00.

President Dickey reported that the Dairy Products Association of Kentucky had given to the University check for \$1,320.00, which represents a contribution to the Kentucky Dairy Educational Fund for the year 1961. He stated that the gift was in support of a very worthy undertaking and recommended that it be accepted.

Upon motion duly made, seconded and carried, the Board concurred in the recommendation of the President and requested him to thank officials of the Dairy Products Association of Kentucky.

From: Mrs. Frank Fritts, Chester, N. J. -- \$50. 00.

President Dickey presented check for \$50. 00 from Mrs. Frank Fritts, to be deposited in the James H. Graham Scholarship Fund in The Kentucky Research Foundation. He recommended that this gift be accepted and upon motion duly made, seconded and carried, the Board members approved acceptance of the grant and asked President Dickey to thank Mrs. Fritts in their behalf.

From: John R. Fritts, Chester, N. J. --\$7. 50.

President Dickey presented check from John R. Fritts, which Mr. Fritts wishes placed in the James H. Graham Scholarship Fund in memory of his grandfather. He recommended that the check be accepted, and upon motion duly made, seconded and carried, the check was ordered accepted and the President was requested to thank Mr. Fritts.

From: IBM Corporation, Lexington, Ky. --\$5. 00.

President Dickey reported that IBM Corporation had given to the University its check for \$5. 00 to match a similar donation by an employee of IBM. He recommended that this be accepted, and upon motion duly made, seconded and carried, the check was ordered accepted, and the President was requested to make acknowledgment of the same.
