Dear Dr. Thompson:

I am delighted to learn of the arrival of Mary Lawrence. Our Lord certainly made your Christmas a joyous one. I shall pray that He continue to bless your home.

It is good to know that the Newman Club has enjoyed the exhibit. I have received word from Harcourt Brace that they will let you keep the manuscript of ASCENT TO TRUTH.

Many thanks for the ~~essay~~ by James Guthrie, a valuable addition to our library.

Sincerely yours in Christ,

Fr. M. Louis, O.C.S.O.
