

Feb. 20th Wednesday

North Audley St -

D^r Mrs. Gallam.

Mr. Robert Tennant is now
with us and is to be with
my sister here only till Satur-
day - She wishes much to
see your father to speak to
him about some business
as I understand connected
with her late husband's
affairs - Do you think that
Mr. A. will be at home
anytime tomorrow morn-
ing if Mr. Tennant calls to
pay her respects - Tell me at
what hour - We shall not need
pay her to pay a visit to you on
this occasion as this is her visit
Yours very truly
Mrs. Gallam
