My dear Sir

I have had a letter from Lord
Encombe to day, which, at his request, I
have sent to his Mother.

The Election was over, I apprehend,
on the day that letter was written, & he
was, I believe, to quit Invero next Morning,
in his Return to Town, coming I apprehend,
 thro' Dorchester.

As you had as rival Candidates
Toke & I think a Person of the Name
of Williams of Invero -

I understood P. and E. were
returned as heretofore - but a Schism
was announced, & I presume to make it
more formidable, a Return of J & W was
signed by their Electors, or some of them -

Y^r sincerely
Edon
