

My Lord Archbishop

I have had the Honour
to receive your Grace's Letters,
and I beg you to accept my Thanks
for them.

Lord Colchester last Night
presented the Petition of the Clergy
of the Diocese: he was able to
attend for that purpose, but his
health is very imperfectly restored.

I had formerly read the
pamphlet with great Satisfaction
which I am again employed in
reading - viz the Charge, which your
Grace has sent me.

I can very sincerely assure
your Grace that the good Opinion, with
which you honour me, is most acceptable
& consoling to me in this calamitous
Moment. I am y^r. Grace's obliged Serv^t
