What do you think of  
your bro Dr. Ellenborough's  
suggestions -

They thank you for your letter  
& inclosures - The one

on the defence of the  
country is clear - but

somewhat flippant - too  
much in the style of the

Manchester School -

Your little "workhouse"

Yr. very sincerely

C. Handcock

P.S. Can you recommend  
to any concise account  
of the <sup>nature</sup> Naturalists & general  
details of the different acts  
relating to the Govt of India from  
1773 to the last Charter.

As I am on the Committee  
I should be glad to have  
a "precis" of these acts
