Mr. North:

Dear Sir:

If you
should chance to find
a copy of Etchells's por-
-trait, with impressions,
large paper, very clean
and good, will you
let me know?

I took pleasure in sending
you two copies of the
engraved portrait of
Mr. Field a few days
ago that you may use
them if you wish for

Your illustrated "Gestes"
-Claps."

I wish to find a
small engraving of
Pope's Villa at Twickenham
also a good portrait
of Macaulay - also

Autographs of
Tom Taylor.

Mark Lemon

Shirley Brooks -

I have a good many
autographs of distinguished
Americans and of Lafayette

also portraits in steel
which I could offer
in exchange for certain
others I may need.

Very truly yours,

W. Field.
