Boston Nov. 25. 1848.

My Dear Sir,

I will come on the 19th of
December and Whipple will be in New
Bedford on the 9th of January if we both
live. His subject is "Intellectual Health and
Disease", mine "The Post of Honor", a brace of
subjects somewhat startling.

In haste

but very truly
Yours

James T. Fields

Thomas A. Greene Esq

New Bedford.
