My dear Louie

[James R. Howell]  
Ambassador to husband  
1880-85]

I can't help you. Alex  
Carlyle has a school at  
Wimbledon, and I have some  
idea that he has at Merton  
- Surrey. - but an "idea" is  
not basis enough ~~to~~  
direct a parcel upon.

I am very sorry that Henry  
Carlyle

Chon & open so good a  
self return us. I had  
promised Carlyle to let us do  
her, and she has made it  
impossible

Yours faithfully

J. A. Broude
