KINGSBRIDGE,
SOUTH DEVON.

May 25

Dear Mr Holland

Pardon this note which
for this asking. These few
speeches were written long ago
when I had leisure for such
things. . . and ever since I
have had to use up my
strength in more extended steps
I have proposed to myself to

To try & write a few more in

WOODCOT
KINGSBRIDGE
SOUTH DEVON
my old age & I am left

in peace. But two years

wanted has not come yet

I have nothing of the kind

written now. They would

come if there was an accord if

they came at all

I will keep your suggestion

in mind and will write

to you when I have anything

& say you truly
