Feb 2.

Dear Sir

I am sorry to seem
disarranging. It is however
my duty to say that the
regular engagements of the
Magazine have me very
little disposable space.

I am obliged to keep an
opening for papers which
you send me as questions &

public importance. I thought

I will promise to send

comply any ~~for~~ they

think you may be pleased

to send me, much time

may pass before I shall

be able to find room for it

Your faithful servant
