Taplow House

Wednesday Evng

My dear Sir

I am very sorry that  
you should have had  
the trouble of sending your  
love for me to look at.  
The fact is that six  
weeks ago my young  
niece came to town with  
me a violent cold on  
some <sup>the same</sup> ~~day~~ and I then thought  
2

of buying something else - and  
so I think that I shall  
like to do in the  
Spring or Summer but  
for the present my  
penny has returned &  
can do all that I  
have occasion for -

I hope to have the  
pleasure of writing you  
you in a day or

two, but I will these  
few lines to ask you not  
to neglect any other  
opportunity which may  
offer of selling your  
house - on my  
account.

Believe me  
faithfully yours  
J. B. B. B.
