OFFICE OF THE PRESIDENT

My dear Hamilton Mabie,

Thank you for having me in mind.
I am very well, in fact better
than ever before but the rule
against much public speaking
still holds. I am full to the
brim for the Autumn I greatly
regret to say for I covet the
opportunity of coming to Summit,
and besides I am not used to
this "verboten" business,
With my affectionate good will,
Faithfully

Edwin R. Alderman
