

From F. J. FURNIVALL,

3, St. George's Square, Primrose Hill,
London, N.W.

20 - 2 - 1883.

My dear Professor

I enclose you
Browning's letter about Por-
talia - which shows him to
have been more independent of
his documents than I had
expected.

As his letter alludes to Prof.
Cosson's, I send you that
too. Please return them
both at your leisure.

Very truly yrs

F. J. F.
