

UNIVERSITY OF VIRGINIA
CHARLOTTESVILLE

OFFICE OF THE PRESIDENT

November 4, 1916.

Mr. Ernest Dressel North,
4 E. 39th St.,
New York.

Dear Mr. North:

I shall be glad to come to Summit, N. J., to speak before "The Athenaeum" on the second Thursday in March. I have a little sense of insecurity in making any engagement that far ahead, but I cannot see any reason now why I shall not be able to fulfil the engagement.

It is a great happiness to me to hear that my good friend, Dr. Mabie, is regaining his health. Please give him my love, and tell him that I shall hope to see him in March.

Faithfully yours,

Edwin R. Alderman
