Dear W. Bjorkman

I greatly appreciate your kindness  
in sending me the two 'Forums'. Both  
your papers are very fine; and I am entirely  
in sympathy with them. I hope your  
book will soon be out, that I may  
read more of your essays. I have stupidly  
lost your letter, I have to trust to the  
mercies of 'the Forum' to send you another  
note of gratitude. Yours very truly  
M. G. S. W.
