My dear Spielmann

What you hint at is  
most interesting, but can you not  
give me more details? What  
was the title and what the date  
of the "very long and important"  
poem S. wrote for you? And what

were "a series of 12 months", -  
prose or verse? - and who published?

Please expand your  
most interesting statement.

Yours sincerely  
Edmund Gosse
