To

Sir Baldwin Leighton Bart,
Shrewsbury

Sir

I feel it my duty
to write & thank you for
the trouble you took in 85
to increase my knowledge
of Subjects, connected with
the Land, & agricultural
questions - which I
am pleased to see how
have an improved prospect
in the future, thanks

to the appointment of a
new minister - to specially safe-
-guard the interest of the
British farmer; & landowner;
I am also pleased to inform
you that, I have not
forgotten, those weighty
remarks which you were
kind enough to make
to me, on the vital
question of the fiscal
policy of our country; &
I regret that the eternal
Irish question - has hitherto
prevented our Statesmen
from, giving this subject
the prominence it deserves -
Trusting you are in the enjoyment
of good health, I beg to remain
Yours truly,
J. Harrison
