

Wethery Point,

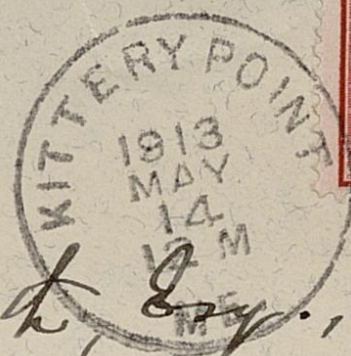

May 14, 1913.

Dear Mr. Forth:

I would gladly
rejoice with Mrs. Forth
and you on the fly-leaf of
their Silver Wedding program
if I had it to write in,
but as I am some three
hundred miles away, she
not lets this letter find
a place in the book
with all the good wishes
it bears you both from
me?

Yours sincerely,

W. D. Howells.
