THE CENTURY ASSOCIATION  
7 WEST FORTY-THIRD STREET

May 3: 1914.

My dear North:

Many thanks for the  
cheque which reached me  
duly. I wish it were possible  
to do these things for nothing  
where friends are involved,  
but, alas, there is expense  
enough for folders with heavy  
responsibilities and no  
time for much talking or  
much writing.

With cordial regards

to Mrs North, and to your  
good self as well, & with  
many thanks for that very  
gracious assistance, I am

Ever yours

John L. Child
