Fitzroy Square 16th Jan. 7

Dear Treford,

If you happen to be in
possession of the first series
of the Lond. Magazine, it
would oblige me if you could

supply me with the numbers

containing a play by the

fictionist Clara Gargoul,

called "The Spaniard" in

Denmark.

How fares your Fireside?

I have but just returned to

London after six months absence,
I hope we shall soon meet,
in despite of this wintery weather.

Yours ever

J. Kenney
