great credit -

During the first week  
of next month, I hope to be  
in Cambridge; and there  
shall have an opportunity  
of mentioning your name  
in a manner which I  
hope will be useful.

Give my kindest  
remembrances to the  
Lords, with thanks to  
Mr. Locke for the pleasure  
we have had from his  
elegant verses -

Yours very sincerely  
Sir,
