New York

my dear Mr. [unclear], I return with
thanks to you very interested in your
book. You will find a list
of some remarkable pencil marks
against some of Lamb's colleagues
as he knew - or rather as we
know he knew. There are
excellent letters to H. Dodswell
& John Chamberlain & a few
brief notes to C. Boyle, who
became one of his execu-
tives.

I would safely return the

Lucas Brews book &

is sure sent to me.

I am yours sincerely

Lucas
