Dear ~~Mr.~~ North,

I have seen the Randal Norris miniature. It is by Lamb's friend Matilda Betham and very interesting. It is reproduced in my book At the Shrine of St. Charles. The others I forget.

Ralph A. Beals is a young enthusiast whose address is the American Association for Adult Education, Sixty East Forty-Second Street, New York, but who does not answer letters as he should. He had much new material for me, but since I left New York has failed to deliver it. I fear his health must be very poor.

My edition of the Letters is being composed. It will be in three volumes and ready, say, next spring.

I am sorry you are retiring. Don't let it allow you to rust.

Yours sincerely
E. Lucas
