Am not by any means
satisfied that Shakespeare
did not write part of
Henry 8th part I - some
passages I mean to me clearly
his. But the name of
Shakespeare has ever already
come to be like the name
of Homer, the title of a
certain publication. It all
events. I only give my own
opinion backed by my own
evidence for what it is worth.
But I don't mind in the
least your thinking out the
whole passage - it is not
essential to the essay.
When I get back on
Thursday I shall send you
