

5. Clarence Sumner Key. Parla
March 3^d. 1842.

My dear Sir

I have to thank you for your
lecture, which I received this morning, and
which I will read without delay. — The
Court Garden managers have been so far successful
in their endeavours as to prevent my production
of *Glomus* this season, but I look forward to
its representation in its integrity and with
its full meaning.

307.

I am anxious to hold

Some further counsel with you on the
subject of King Arthur, and with me
you should perhaps to make an early
appointment with you for that purpose.

It will give me very great pleasure
to accept your invitation to dine with
you at the Parochial Club on Saturday ^{the} 12th
and Sunday,

My dear Sir,

Yours obliged and sincerely

W. C. Howland.
