Dear Agnes,

The framed
proof has arrived
all right, & will be
hung up in the bedroom
& sitting ^{ditto} of my ^{unmarried}
family. Many thanks for

them.
I am glad the Armstrong
family should like the
picture. I much prefer
their having it hanging
else, although I could have
none for it myself.

Yours very sincerely
Richardson

I am quite ready for
the Bishop of Westchester's
frame, & I would like
you to send me now the
old Cock and Hen
picture you bought for me
at Christmas some time
ago for the new house
