

I send you dear Miss Wrentholt all that I
 have of pretty & new Annuals in the hope that some
 one of them may be that which you selected &
 that at all events they may contribute however
 slightly to the embellishment of your flower garden.
 I may come often to see mine, to pardon my being
 the worst visitor in the whole world - My friends
 must not measure my regard for them by the number
 of my morning calls for except to improve &
 see my neighbours Mrs. Mary & Mrs. Lane I do not
 go above once or twice a year - pardon too
 my economical envelope - you would if you
 could but see the beauty of paper which I possess

I believe me ever
 with kind regards
 to Miss Madeline

Very faithfully yours
 A. K. Mitchell
