THE CORNER HOUSE,
SHORTLANDS, R.O.
KENT.

Dear Mr. Story

Will you tell me
a little more about your magazine
- its size - how often its will ap-
pear - whether illustrated or not -
- & the name of the publisher? -
Thank u - if you are so inclined -
& it is no breach of confidence -
In anything that you take in hand
I am sure I should find points
of sympathy - but I write
very little now - & I hardly

like to promise what I might
not be able to perform - however
if I do not say absolutely yes
I will not say no. -

Very sincerely yours

Sturtevant. -

Are you & Mr. Story coming
to the Handel Festival - as
he said? - I believe it
will be very fine.
