GRACE CHURCH RECTORY
NEW YORK.

1897.

Dear Mr. Norton -

I am not
aware that the
Phil^a edition of the
D. C. P. for 1833 has
any particular
value. Prof. Sumner
Pastor D. D. of Trinity Ch.
West-bro Conn. is
a far better authority -

than I on such
a point. I have
never given very
much attention to
the bibliography
of the Amer. Inst.

Yours faithfully
W. R. Huntington.
